B

b is for

butterfly

Which butterfly do you like best?

Small Tortoiseshell

Common Blue

Speckled Wood

Red Admiral

Comma

Marbled White

It's fun to watch the butterflies
flying up and down and round.
They settle for a moment
on a flower or the ground.

It may be hard to see them as
they do their dancing flight... but...
you might just spot a Tortoiseshell,
a Comma or Large White.

Large White

E

e is for

empty

Empty is the opposite of full.
Can you match the opposites here?

full

fast

light

small

soft

closed

open

big

heavy

empty

hard

slow

K

k is for

kestrel

Can you spot five differences between these two kestrels?

Did you know that a kestrel is a bird of prey?
