2 Skippetty bunnies

These are very sweet… and very easy to make.

1 Copy the body and head shapes from the back cover onto plain card. Cut them out to use as templates.

2 Fold a piece of pastel card for the body and match the template to the fold. Draw and cut out the body.

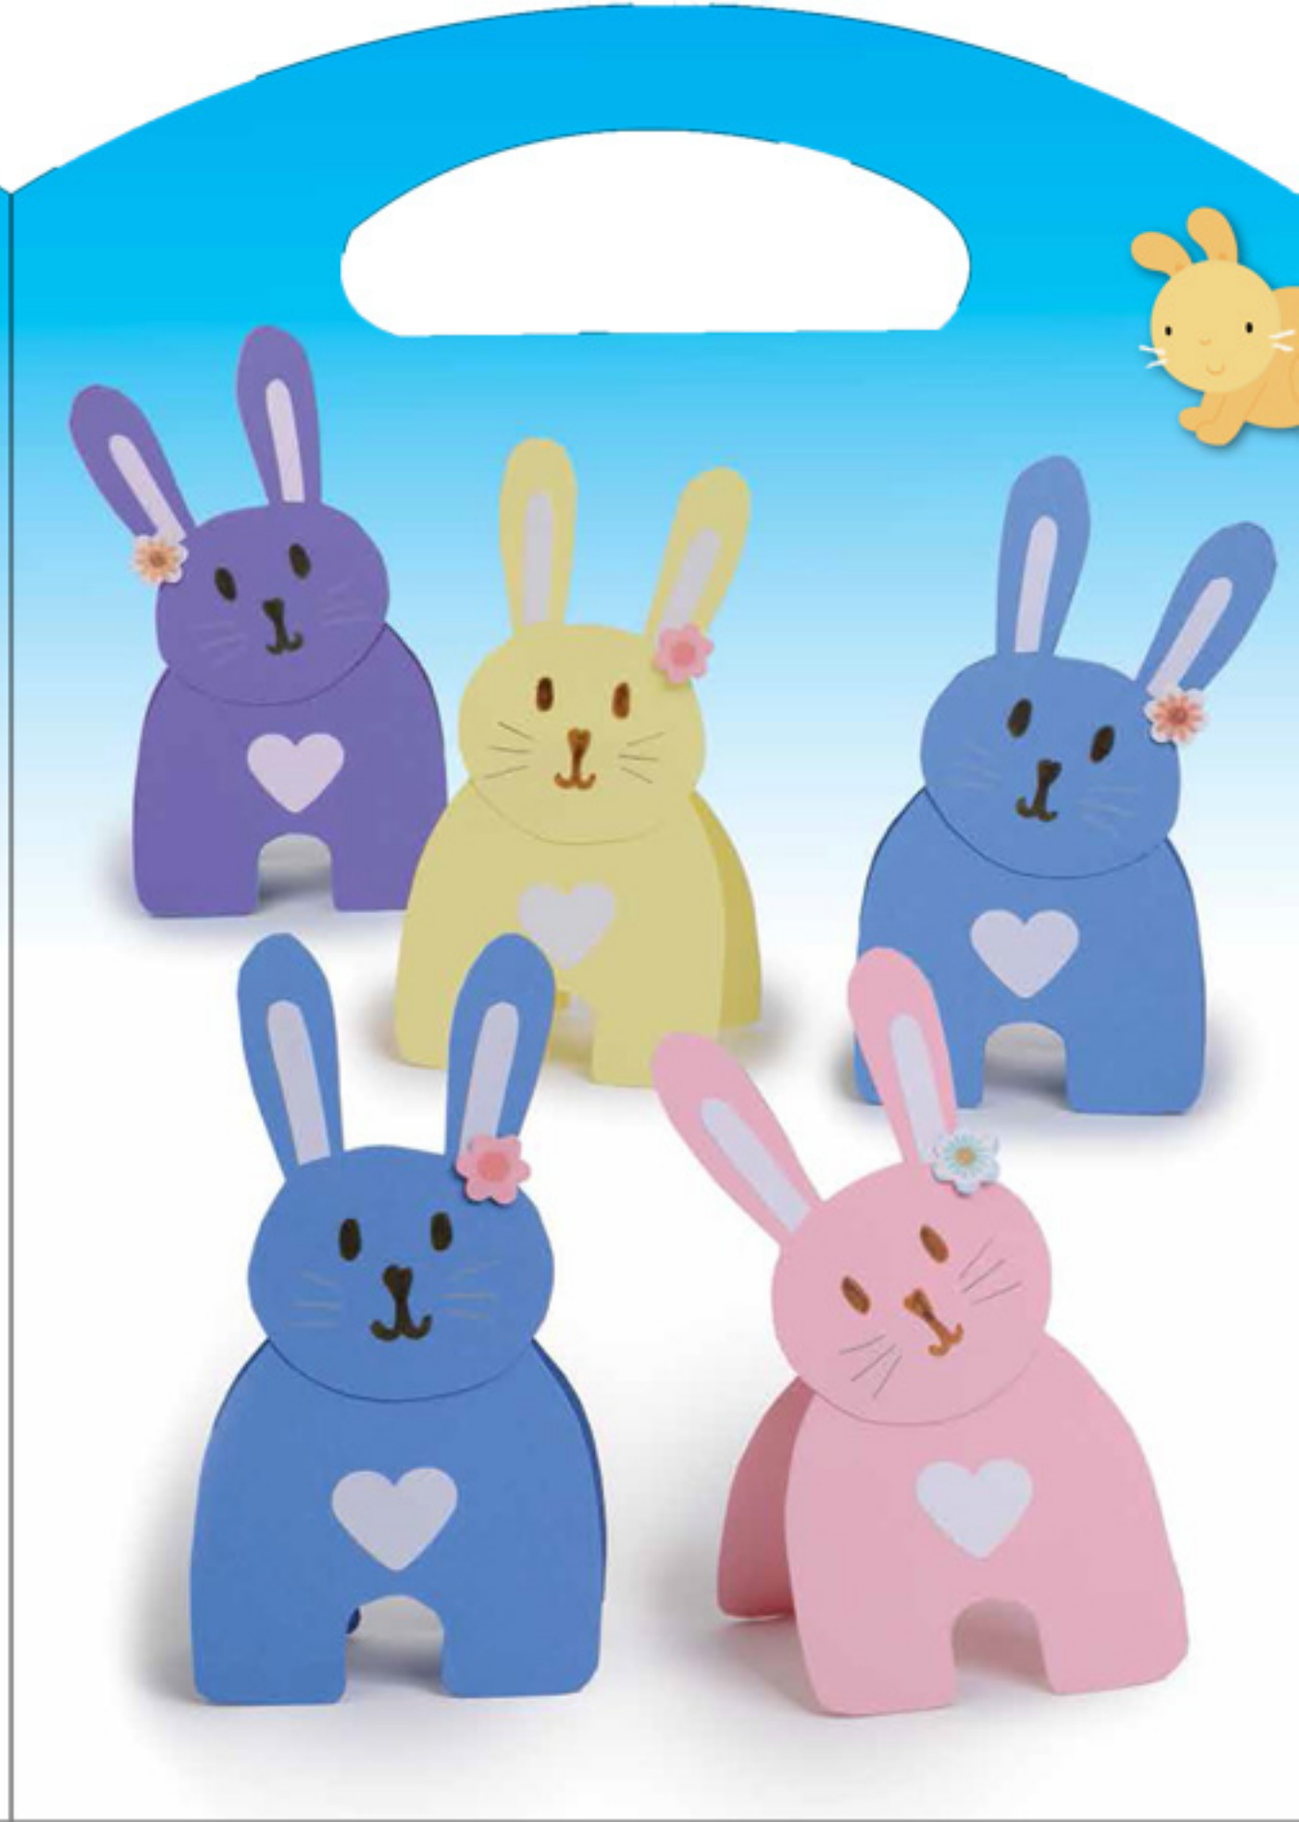
3 Draw around the head piece on a single piece of pastel card. Cut out. If you wish, cut inner ears in white paper and glue them on.

4 Draw the face with markers and then glue the head in place on the body.

You will need:

- plain card
- pastel card
- white paper
- glue
- markers

Why not add extra details with paper cut-out shapes?



4 The Easter story

The story of Easter is the story of Jesus. He welcomed children to listen to all he had to say.

"Make it your aim to live as God's friends," he said.
"Love one another.

"Forgive one another, even those who are unkind to you.

"Don't worry about anything else," he said.
"Look at the birds. God makes sure they have food.
"Look at the flowers. God clothes them in petals.

"You can be sure of this: God will take care of everything you need.
"And God will bless you."
