The frog family lived by the river. When the sun shone they played among the leaves and branches on the river bank.

But they stayed away from the old tree stump. The Big Scary Thing lived in there. It had huge, glowing eyes and only came out at night.

Sometimes, when the wind blew and the rain fell, the frogs would climb down from the branches to play in the river where they were safe.

But one day, without warning, a very big storm came.

It was so big . . .
