DINOSAUR FARM

PAVILION
CHILDREN'S

BRIIIIIIING!
It's hard work being a farmer.

You have to wake very early every morning
and you must make sure you have a nice big breakfast before your day begins.

You put on your farmer hat and boots,
get on your tractor and off you go.

Your farm needs you!

First things first.

Your animals will be hungry so you must serve them their breakfast.

Sometimes your animals get very dirty and they will need a good scrub.

When the pond gets dirty and full
of weeds you must clean it out.
