For my son, the Herbie-saurus. G.P.J.

For my son, the Codie-opteryx. G.P.

The dinosaurs are having a party
It starts precisely at three
But I'm a boy not a dinosaur
So I'm pleased they've invited me.

The dinosaurs are having a party
It isn't too far on the bus

The house is vibrating and shaking
But the neighbours aren't making a fuss.
