Elmore Green started off
life as an only child,
as many children do.
He had a room all to himself,
and everything in it was his.

He was very proud
of his room.

When his Uncle Cecil gave him a jar of jellybeans,
he could eat every single bean, all by himself –
in whatever order he liked.

There was no worry about anyone
eating the **orange** ones because
Elmore Green's parents
did **NOT**
eat
jellybeans.
