Halloween Lanterns

Mummy Pig is making five pumpkin lanterns for the Halloween party. Find stickers of the two missing lanterns. One lantern is different from the rest. Can you spot the odd one out?

Answer: One pumpkin has an upside-down nose.

Web Trail

George has spotted a spider's web. Find the sticker of a hanging spider. Then, draw a line to help the spider find its way through the gaps to the middle of the web.

Haunted House

The Halloween party is in a haunted house, high on the hill. Can you help Peppa and her friends find the right path to the party? Watch out for the frogs! Add the moon and more stars to the night sky.

Answer: B.
