It's early in the morning.

Off to school the children go.

Miffy's in the red dress.

She's the one we know.

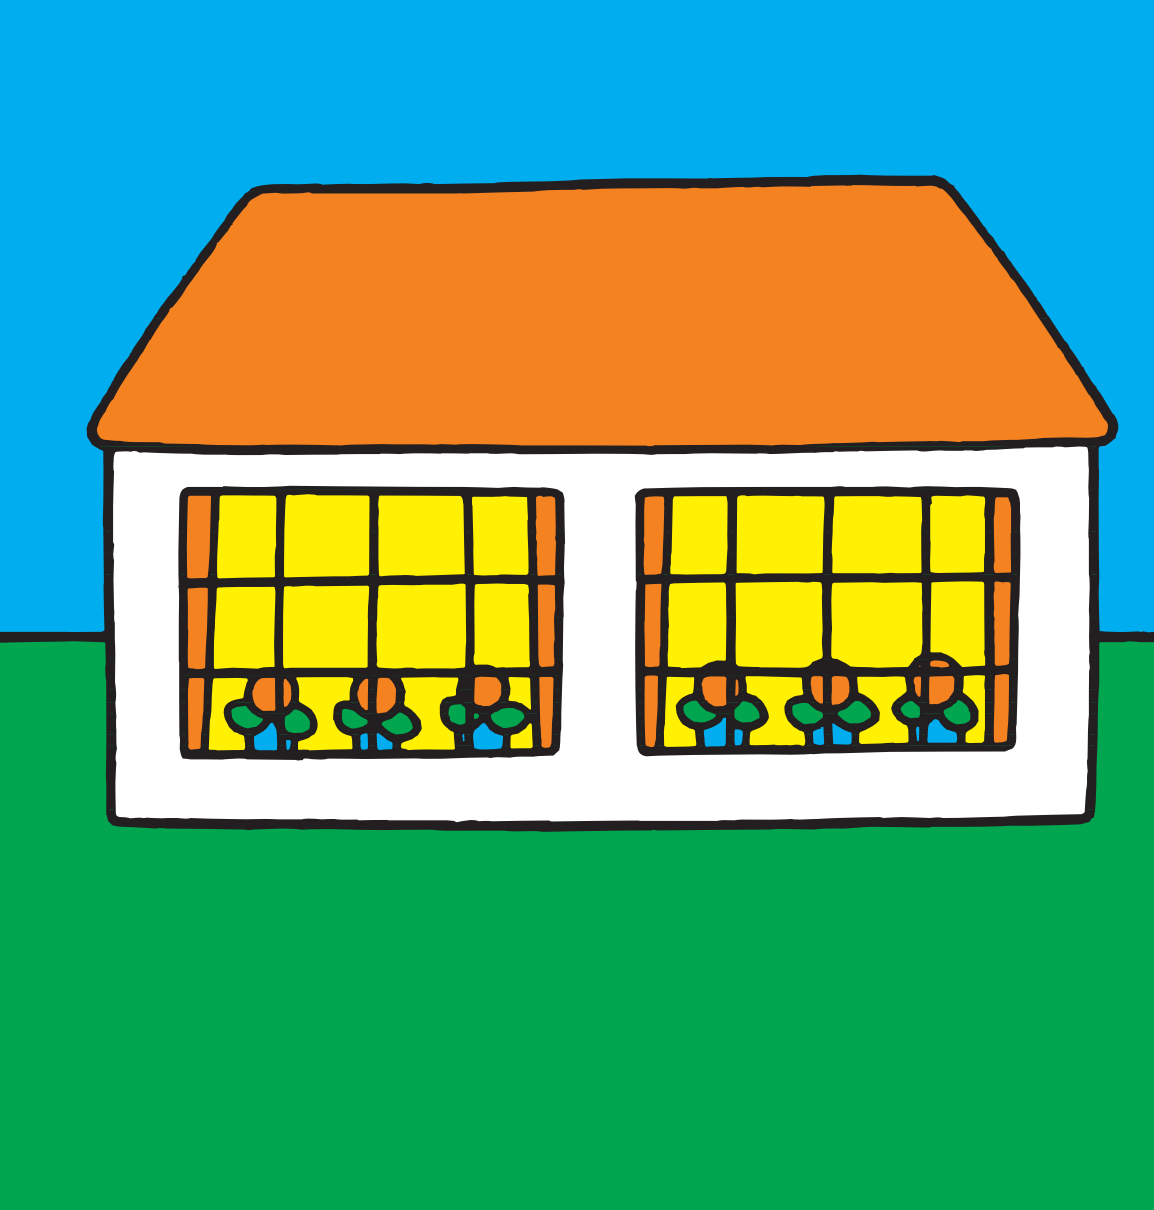

The journey doesn't take them long

on their little feet.

Their school looks very cosy

in its building nice and neat.

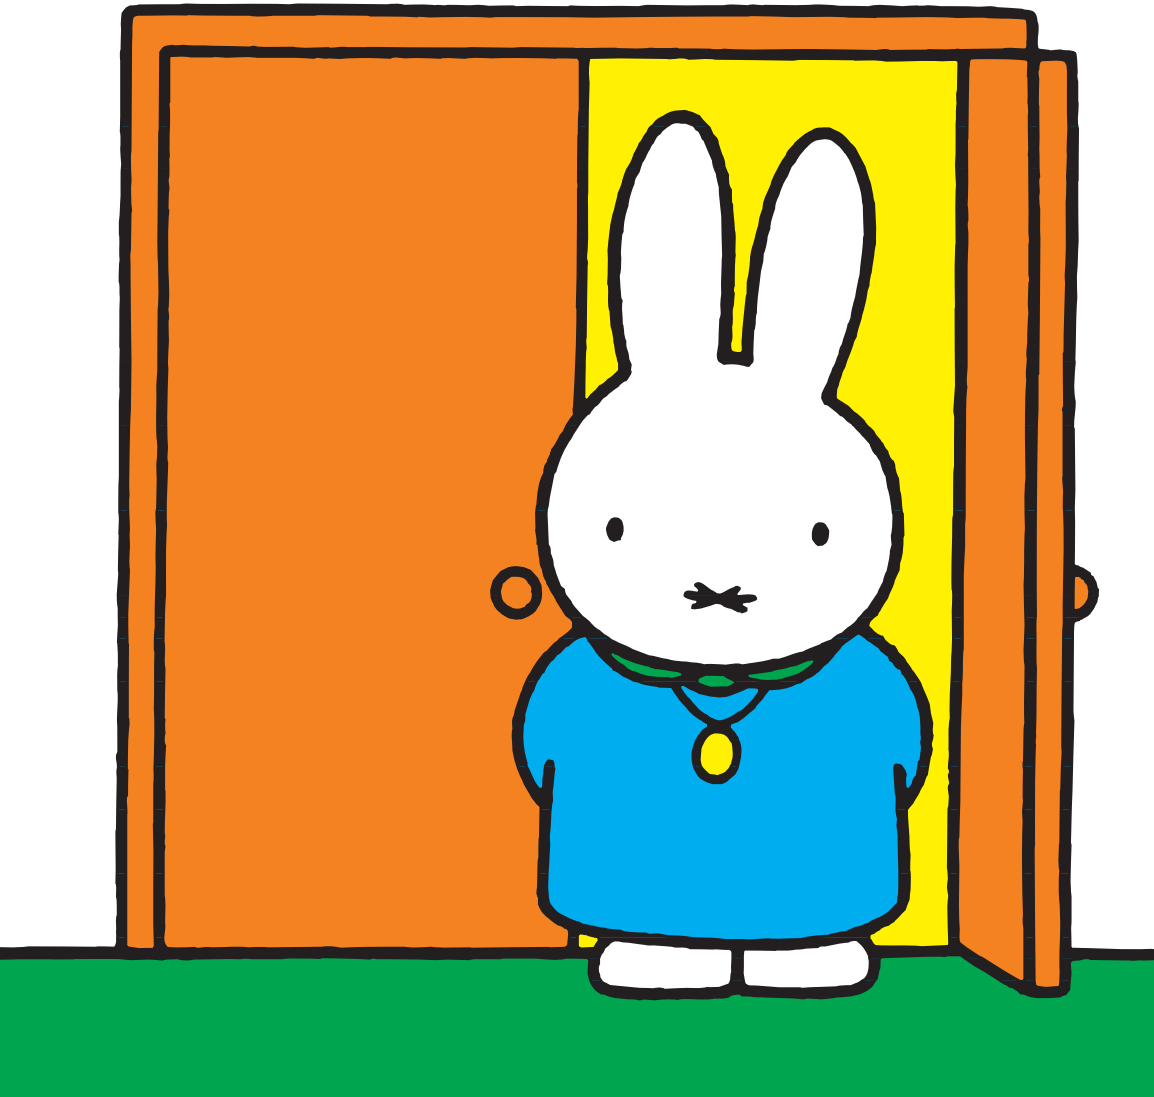

Their teacher's there to greet them

and check them in again.

She wears a lovely pendant

hanging on a chain.

The bell is rung for school to start.

The children all go in.

Once she sees them sitting down

the teacher can begin.
