Out now!

A boy called George had a brilliant idea
To be like the heroes of old.
He would go off and search for a **dragon**,
To prove he was fearless and bold.

So George built a **time machine** and packed his bag
With some snacks that a hero might eat.
There were cakes, pies and buns, and a bottle of fizz,
And doughnuts - the ultimate treat.

Then George climbed aboard and he twisted a dial
So it pointed to LONG, LONG AGO.
With a WHOOSH he was off,
shooting backwards through time,
Till his time machine started to slow.

The time machine stopped
and George opened the door.
Was his journey through time a success?

He saw something lurking
behind a large bush,
Then . . .

"BOO!"
said a **cheeky princess.**

"I'm seeking a **dragon**!" gasped George in surprise.

"Take this map then," she said, "but beware!
There are horrible **monsters** who lurk around here,
And they'll eat you if you don't take care."
