Little Red Riding Hood

There was once a sweet little maid who lived with her father and mother in a pretty little cottage at the edge of the village.

She always wore a red cloak with a hood, which suited her so well that everybody called her Little Red Riding Hood.

What's this?

It's a story about a little girl who always wears a red cloak with a hood.

COOL! I love stories about superheroes. What's her special power?

She doesn't have any special powers. It's not that kind of a story.

And can you stop doing that, please?

So, where was I?

Little Red Riding Hood was on her way to Grandma's house when she met a wolf...

She does NOT have a KINDNESS RAY...

she has a basket of eggs and butter and cakes and dainties.

# A WOLF! EXCELLENT!

They're always the bad guys in stories like this.

I bet she zaps him with her KINDNESS RAY.

How does she fight crime, then? Is it like a cool kind of flying gadget basket? Are they exploding eggs? Can she whack him with a dainty?

...and Little Red Riding Hood said, "What a big nose you have, Grandma."

And the Wolf replied, "All the better to smell you with, my dear."

...And she said, "What big teeth you have, Grandma," and the Wolf said...

# ALL THE BETTER TO EAT YOU UP!

Let me see that book...
