In **ANT and BEE Count 1 2 3**,
children can have fun learning the
numbers from 1 to 10.

All my **ANT and BEE** books are for
shared reading. If a parent or older child
reads the **black** words then young children
can join in the storytelling by calling out
each number as it is introduced in **red**.
This way they can help propel the story along
from near disaster to its happy ending.

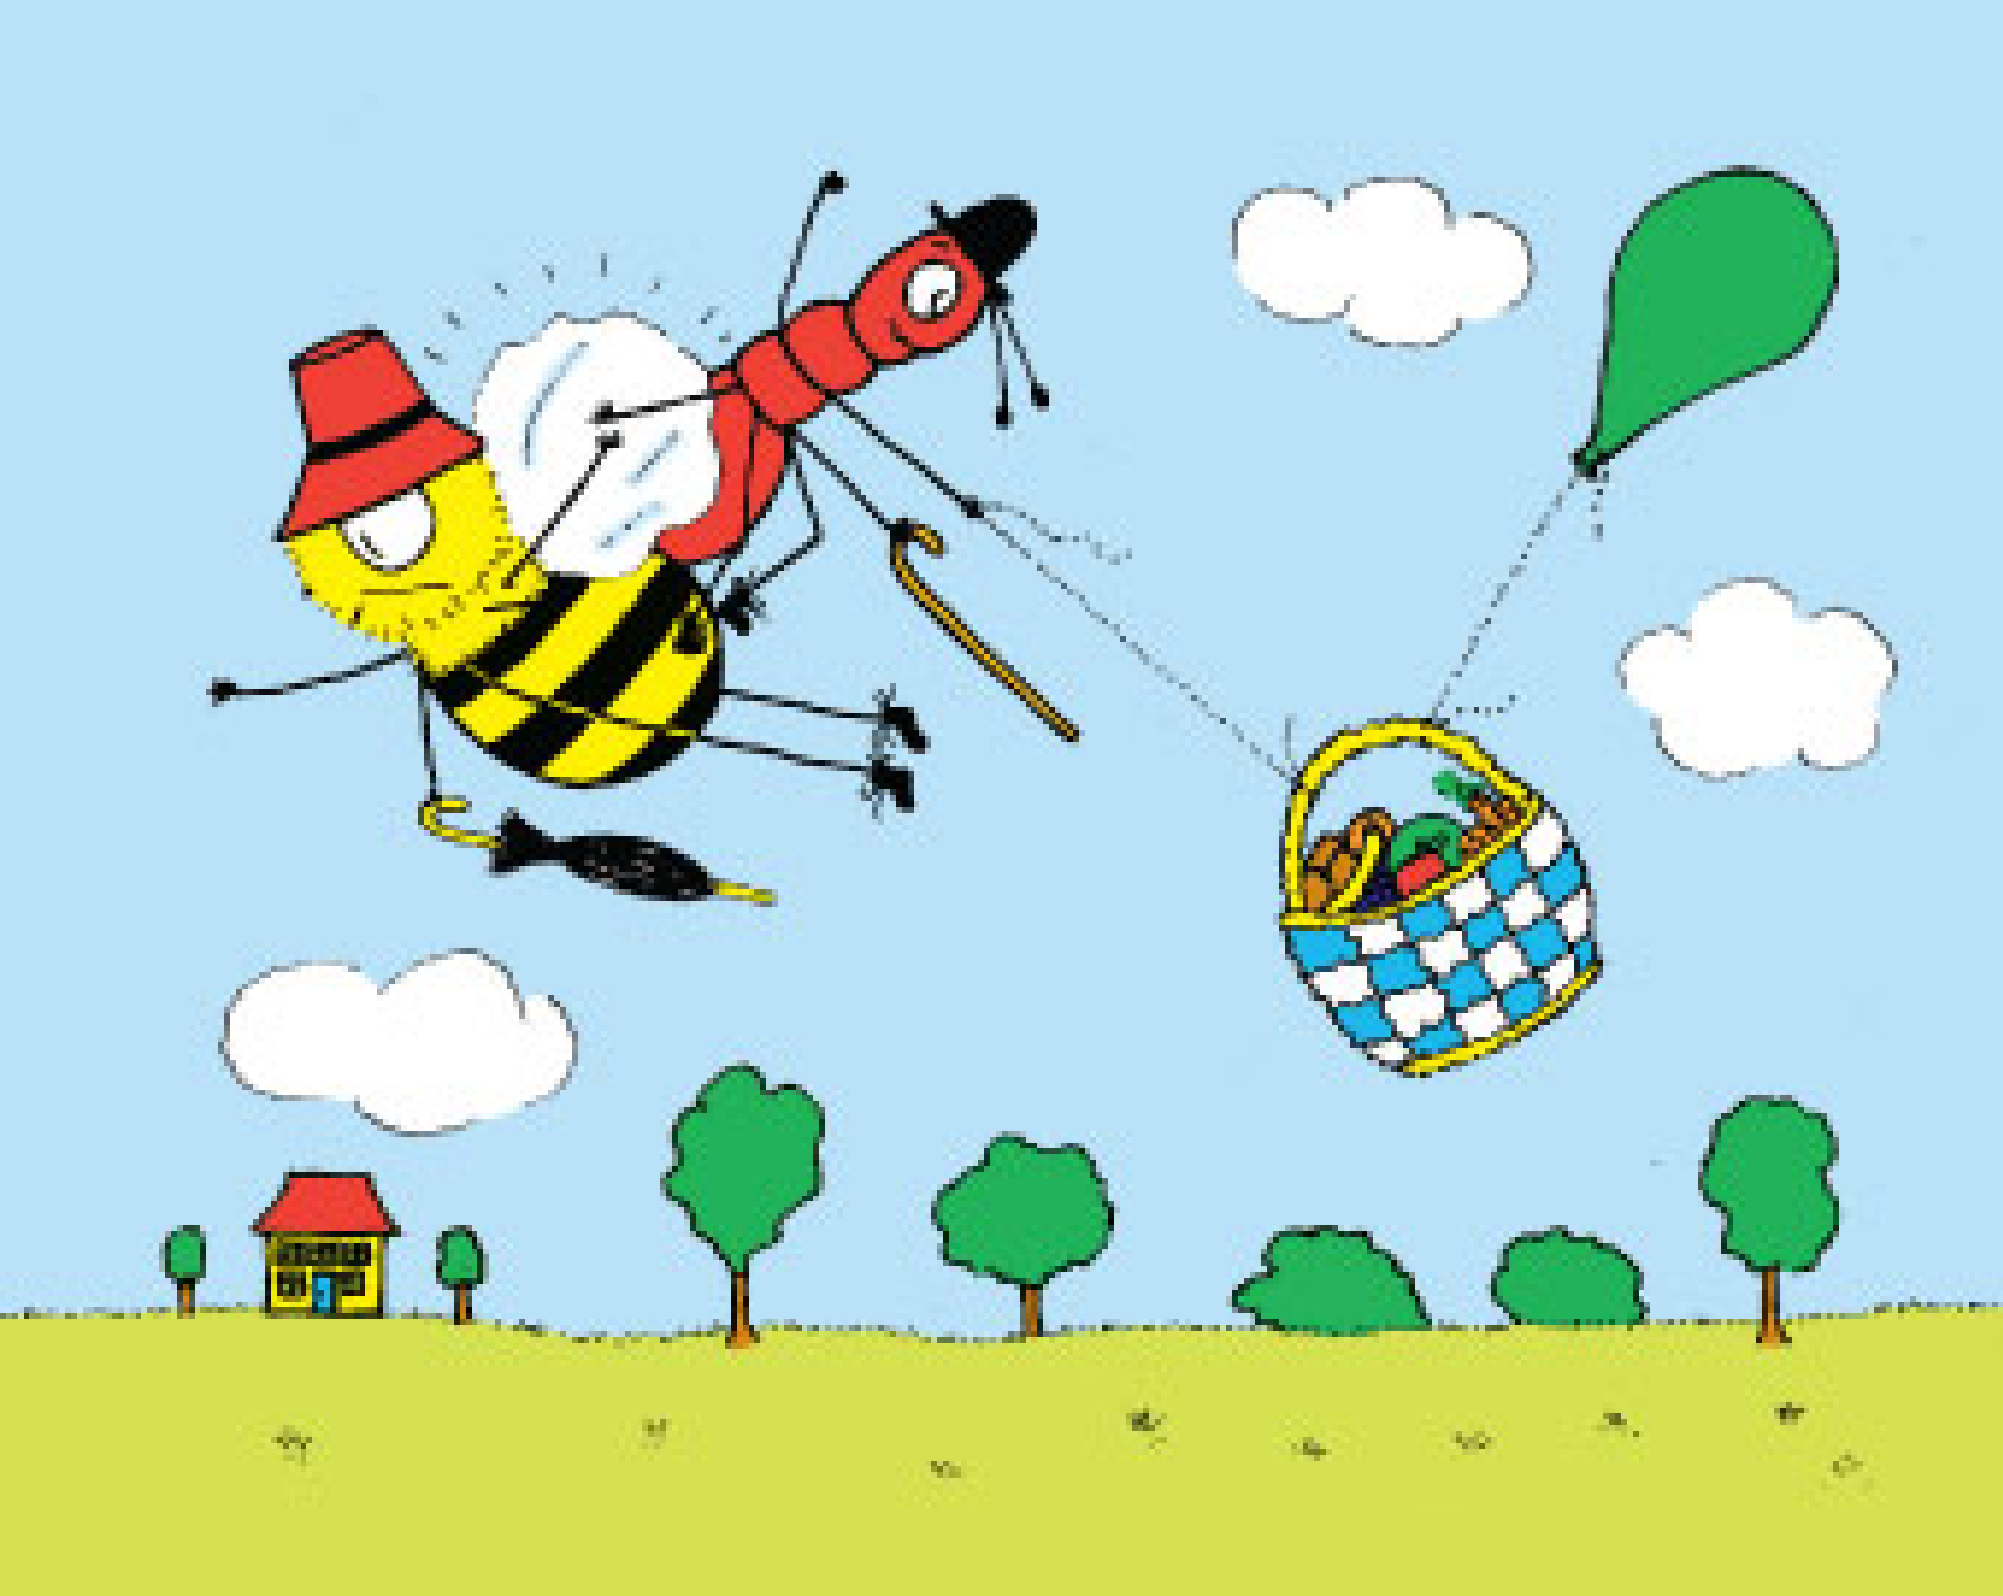

One day Ant and Bee flew to the shops.

They did not want to buy very many things.

Ant and Bee flew home with all their shopping, BUT Ant and Bee had bought lots of things and made their basket very full and very heavy!

In the basket were . . .

1 MELON
2 PEACHES
3 BANANAS
4 ORANGES
5 APPLES
6 EGGS
7 MUSHROOMS
8 POTATOES
9 CARROTS
10 GRAPES
