The Gruffalo Spring Nature Trail

This book belongs to

Gruffalo Explorer

.....

Step into spring with the Gruffalo and join him for a fun family nature trail.

To be a true Gruffalo Nature Explorer, you'll need to keep your eyes open and your ears to the ground, and don't forget to take this guide with you! It's full of games, activities and hundreds of stickers to keep you looking for and learning about nature.

Wear a hat if it's sunny!

Winter has passed and spring is here so it's time to head outside . . .

Signs of Spring

Look at all the pictures below. How many signs of spring can you see? Put a Gruffalo paw sticker next to each one.

EXPERT EXPLORERS

Spring Greens

In spring you'll see fresh green shoots and leaves all around you.
How many different shades of green can you see?
Find some leaves and see if you can match them to the greens below.

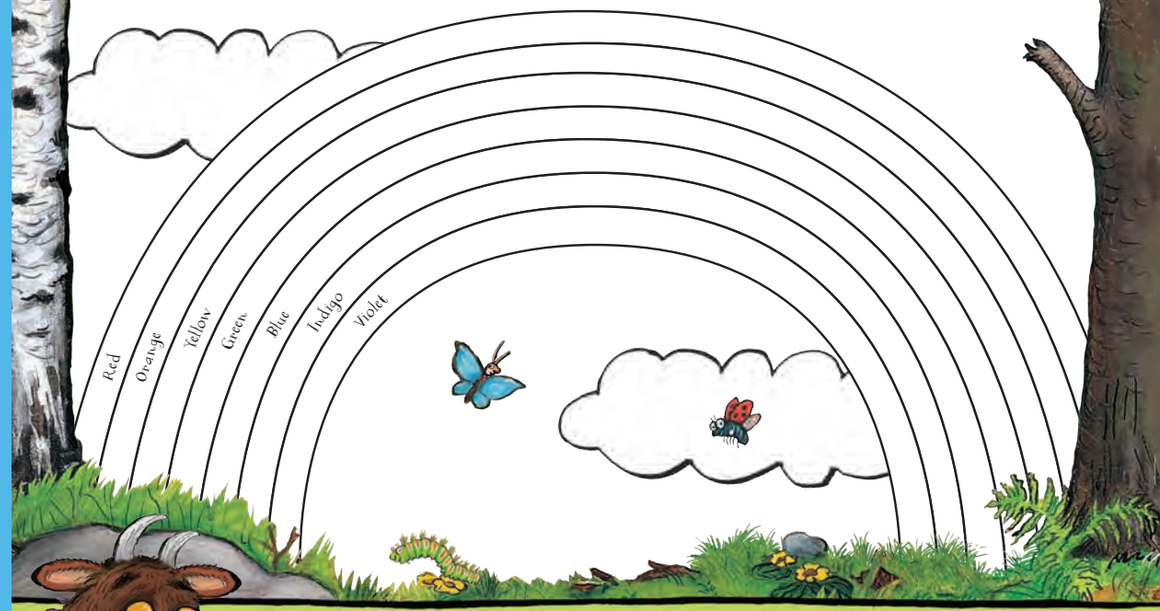

Place a leaf sticker next to each shade of green you can spot.

Colour a Rainbow

The fresh green colours of spring are helped by warm sunshine and rain. Sometimes the sun shines through falling rain and if you're very lucky, you'll see a colourful rainbow (or you may just get wet).

The colours of the rainbow are:

Red Orange Yellow Green Blue Indigo Violet

Wear this sticker if you were lucky!

Today I saw a rainbow!

Or maybe this one...

I went for a walk and I got wet

I love April showers

A Colourful Spring Garden

In spring you'll see lots of colourful flowers. For each different colour you see, find the matching petal sticker and make a flower.
