Welcome to London!
What a busy city, full of exciting things to see and do.

Some of the famous landmarks are missing.
Can you find the right stickers and finish the map?

Answers on the last page.

The London Underground helps everyone to travel around the city. Use your stickers to add passengers.

The underground train is also called the Tube.
Can you spot six red and blue Tube signs?

London Underground
includes the oldest
underground railway
line in the world!
