CHOO CHOO
Clickety-clack!

written by Margaret Mayo illustrated by Alex Ayliffe

Trains are great at speed. speed. speeding.
Tooting - whooo-hooo!
Through tunnels rattling. at stations stopping:
Choo choo. clickety-clack! Off they go!
102

Aeroplanes are great at fly. fly. flying.
To faraway places people carrying.
Zooming down runways – up. up and away – soaring:
WhoarrrRR! Off they go!
