MACMILLAN CHILDREN'S BOOKS

Dads are so different all over the world,
with feathers or fins, or tails that are curled.

Some dads are big and some dads are small,
but whose dad is really the best of them all?

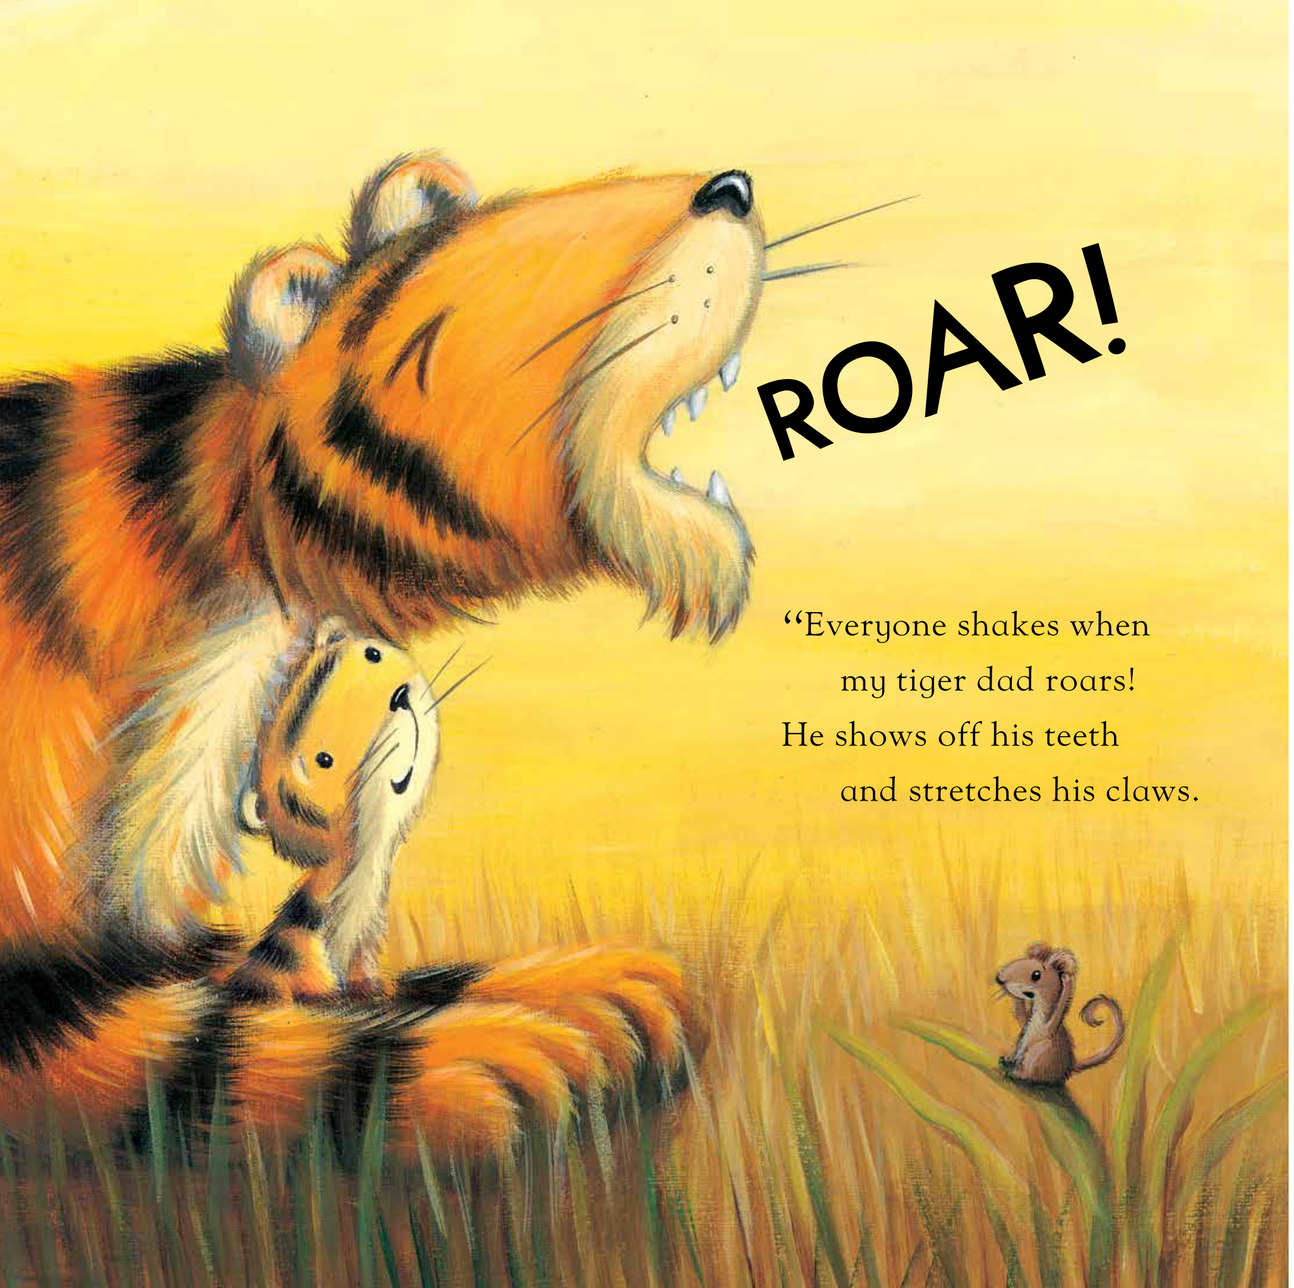

"My kangaroo dad
can bounce anywhere.
He stamps his big feet
and zooms through the air.

I jump on his back,
and we aim for the sky . . .

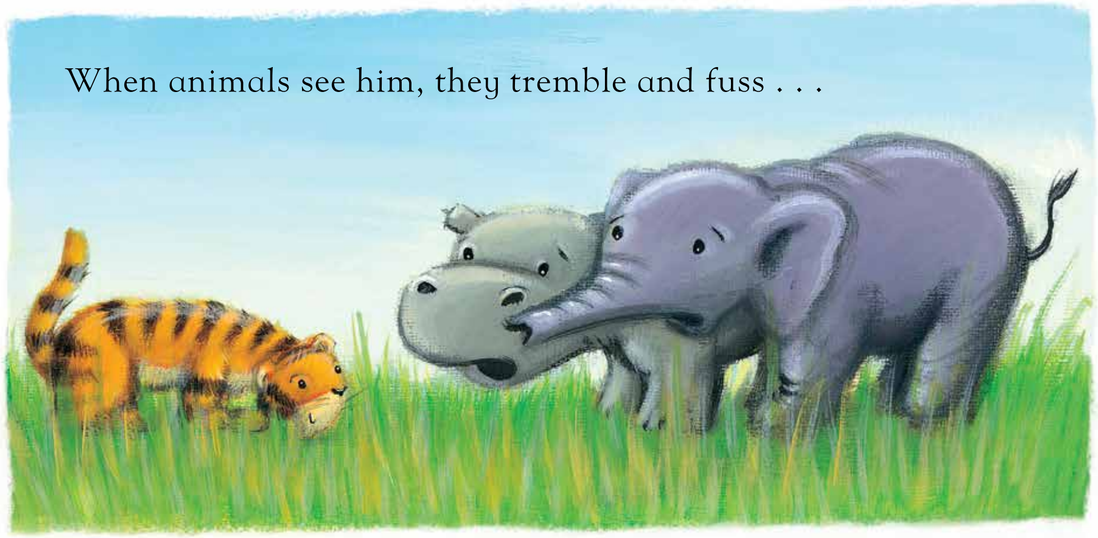

then take off so fast, it's as if we can fly!"

"Everyone shakes when
my tiger dad roars!
He shows off his teeth
and stretches his claws.

When animals see him, they tremble and fuss . . .

but when he's with me, he's a big softie-puss!"
