Printed and bound in Hong Kong

**“How many lumps of cheese
do you see just there?”**

“Um... I don’t see any.”

**“That’s
because there
are none!”**

**“Is none
a number?”**

**“Of course.
It’s one less
than one.”**

**“I see.
So one more
than none is...
one?”**

“That’s right...”

Like that **ONE** light blue
phone over there.

1

2

If you add another ONE you have TWO,
like two sleeps until the big day.

3

After that,
it's **THREE**,
like my collection
of chairs.
