Max loved his toy dog, Snuffly Poo.
They had been together since Max was a baby.

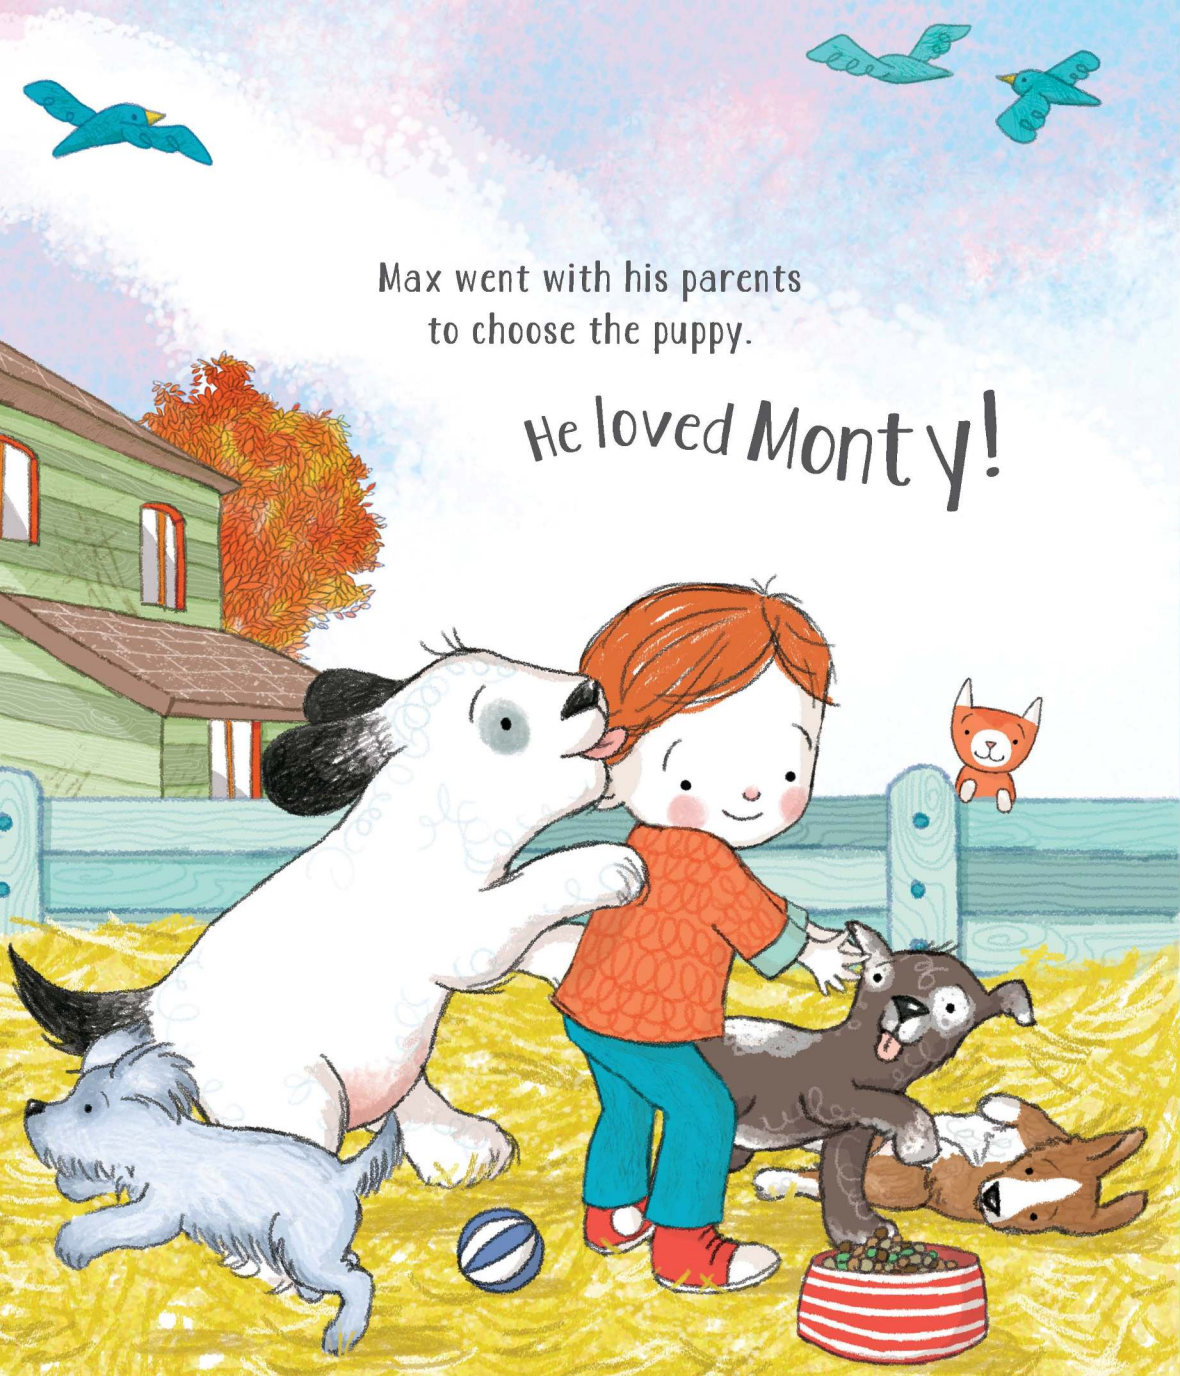

Now that Max was a big boy,
Mum and Dad said he could have a real puppy.
“But you’ll have to look after him,” they said.

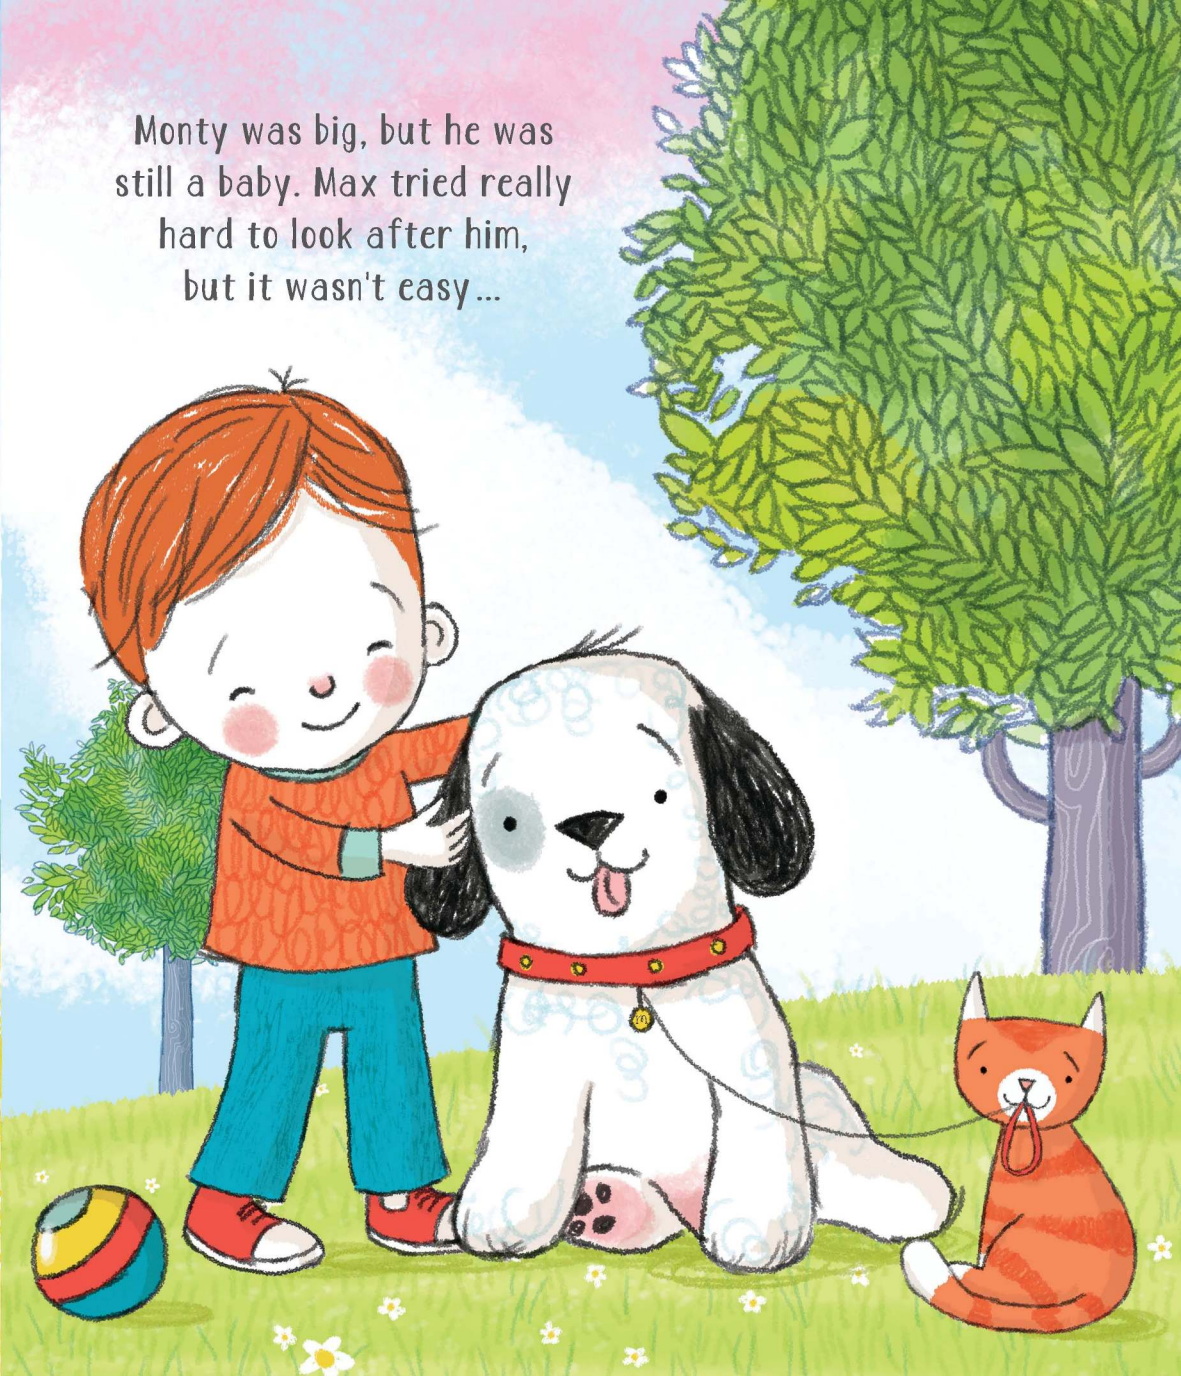

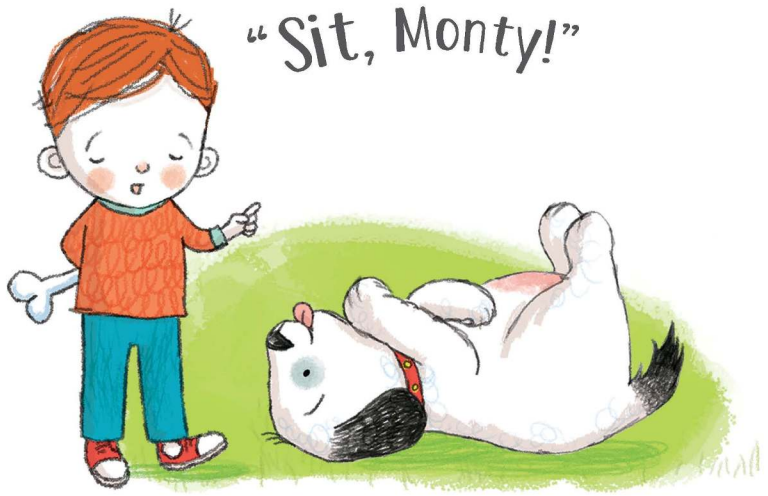

Max went with his parents
to choose the puppy.

He loved Monty!

Monty was big, but he was
still a baby. Max tried really
hard to look after him,
but it wasn't easy...

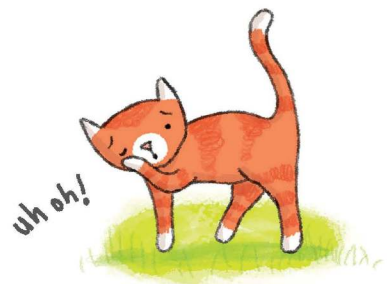

"Sit, Monty!"

"Fetch, Monty!"

uh oh!

"Bad boy, Monty!" "oh, no!"
