Wilbie Footie Mad!

Wilbie was a duck with a passion.
A passion for football.

When Wilbie was small, his dad watched football
all the time. So Wilbie watched it too.

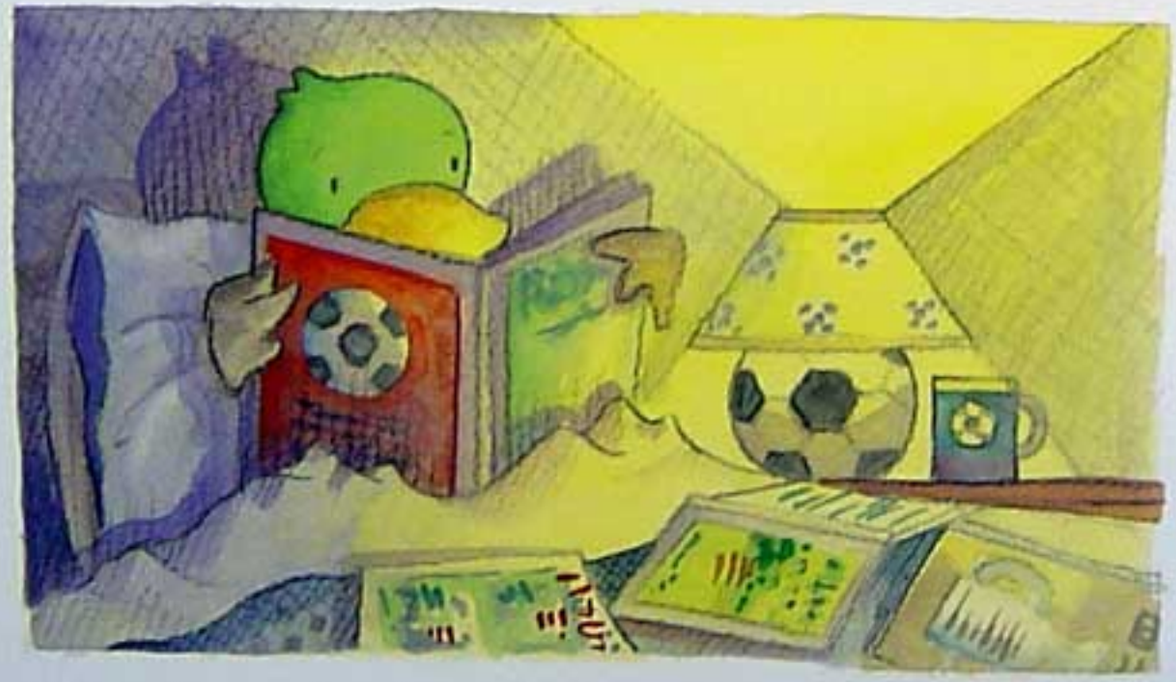

And now Wilbie was bigger, he was football mad!

He collected as much as he could about football.

He read as much as he could about football.

He watched as much as he could about football.

And he listened to as many stories as he could about football.
