EGMONT

Mr Busy decided to take all his friends on a trip to London.

Everyone was very excited.

They could not wait to see the sights.

Mr Topsy Turvy looked at the Tube map to see where they were going to go.

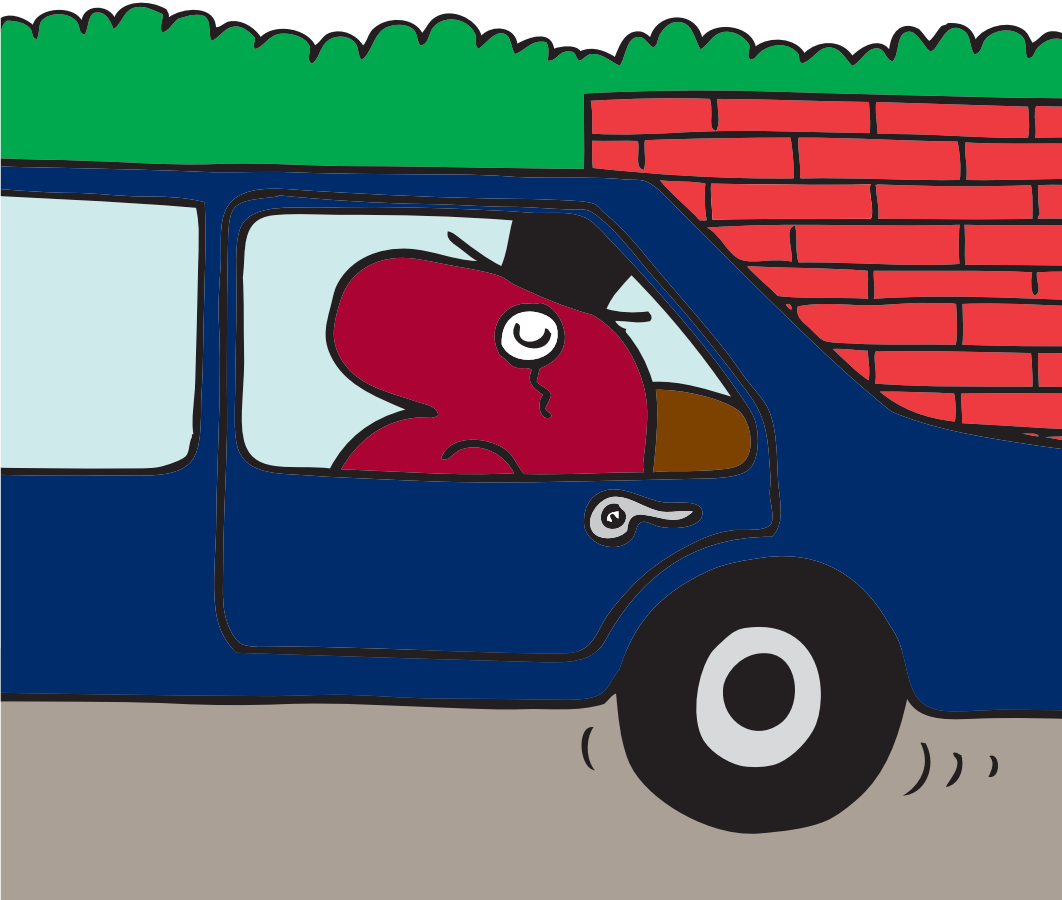

UNDERGROUND

However, Mr Uppity, being the uppity fellow he is, refused to go on the Underground.

Mr Uppity likes to travel alone so he hired a private car to chauffeur him around London.

Which was rather rude of him, but then…

he is the rudest man in the world.

Mr Busy was far too busy to notice.

He and his friends got off the Tube at Covent Garden and began their tour with a visit to the London Transport Museum.

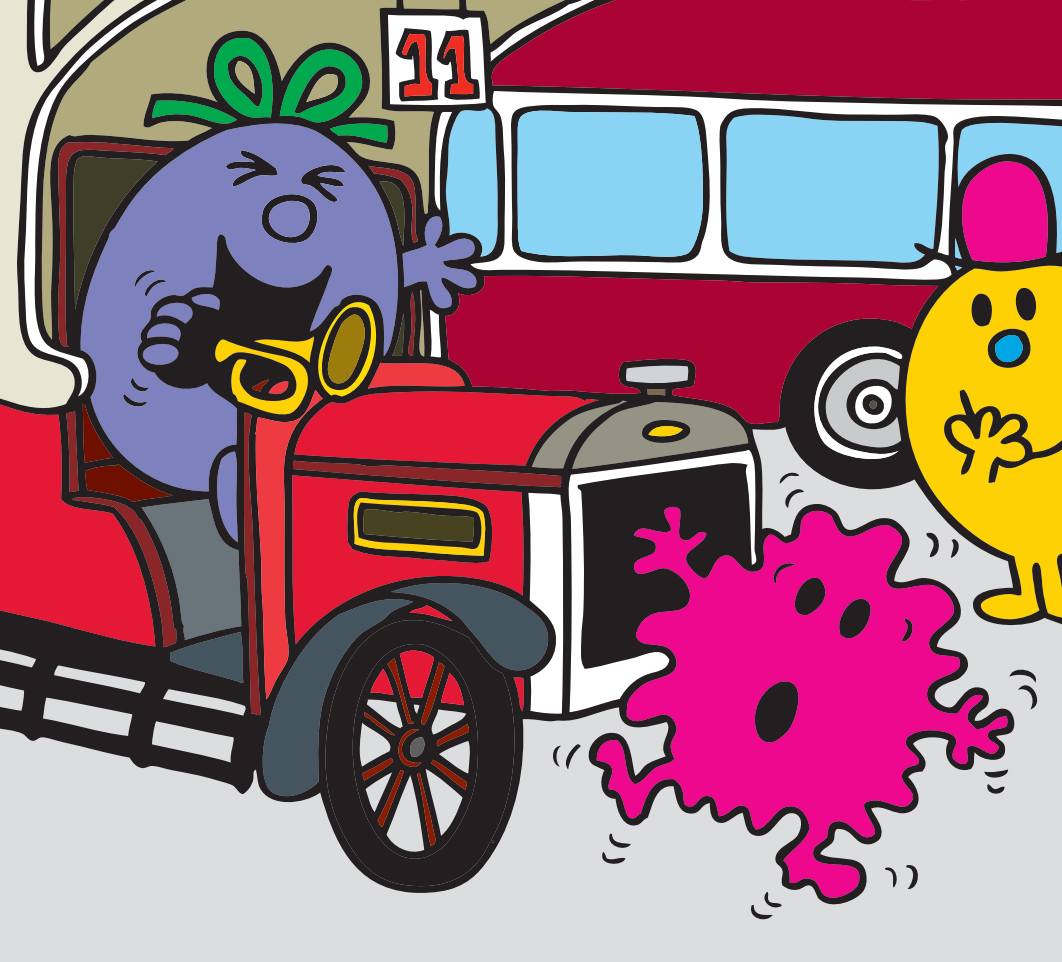

They saw lots of buses and trains.

There were old ones and new ones.

Little Miss Naughty had fun on a bus.

TOOT! TOOT!

Poor Mr Jelly!
