Little Miss Sunshine felt very sorry for Little Miss Scatterbrain when she heard about her holiday.

You see, last year Little Miss Scatterbrain went on a summer holiday.

But being the scatterbrained person she is she went to the North Pole!

It was a bit chilly for swimming.

Not really a summer holiday.

So this year, Little Miss Sunshine decided to organise Little Miss Scatterbrain's summer holiday for her.

And to make it really fun she invited along lots of Little Miss Scatterbrain's friends as well.

Everyone was very excited.

Mr Bounce jumped for joy at the news.

Which isn't such a good idea if you have as much bounce in you as Mr Bounce has!
