Early one evening high up in a tree,
Hooty the owl came out for his tea.
He sat on a branch and looked out at the sky,
And waited for insects fluttering by.

Swankypants watched from the garden below,
Hooty couldn't catch things for he was too slow.

"Come on Hooty, fly down from the tree,
Come down here with Chatterbox and me."

So the two cats watched by the light of the moon,
Hoping that Hooty might catch something soon.
"I'm too scared, the tree is too high,
There's plenty of insects up here in the sky!"
