A Little Princess Story

I Want a Bedtime Story!

Tony Ross

Andersen Press

Every bedtime, the King told the Little Princess a story.
But one night he was away on royal business, so the Queen
told the Little Princess a story about a fairy queen.

"That's not as good as Daddy's story," said the Little Princess,
and she wouldn't go to sleep.

So the Admiral told the Little Princess a story
about the high seas and the giant fish who lived there.
