Cool Cat spent the year scheming her revenge, while Top Dog was determined to hold onto the prized Pet Quest Cup. Down in their bunkers, the pair tinkered and tweaked their race cars to perfection, until finally...

"You dirty dog!" yelled Cool Cat as her rival overtook.
And Top Dog's foul play didn't end there.
Lining himself up in front of Cool Cat, he deployed the POOPER SHOOTER.

As the finishing line came into sight, Cool Cat chose her moment to pounce.

Saving her ultimate weapon for last, she pressed the button labelled STICK IT TO THEM.

A mouth-watering stick flew out of Cool Cat's cannon...

sending Top Dog off course at the vital moment, clearing the way for victory!

But as the frenzied Top Dog leapt to catch it, Cool Cat failed to disconnect the lead and the two cars careered out of control.
