My dad is
brilliant.

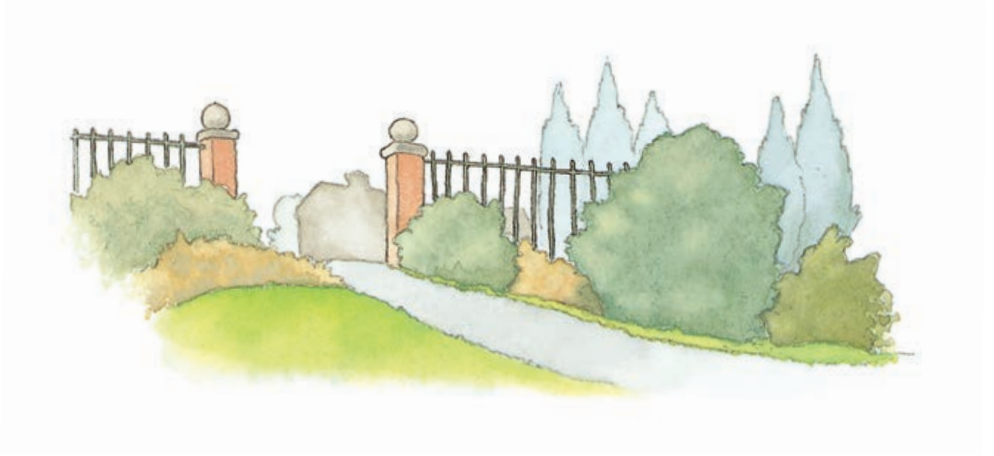

He's as
strong as a
gorilla …

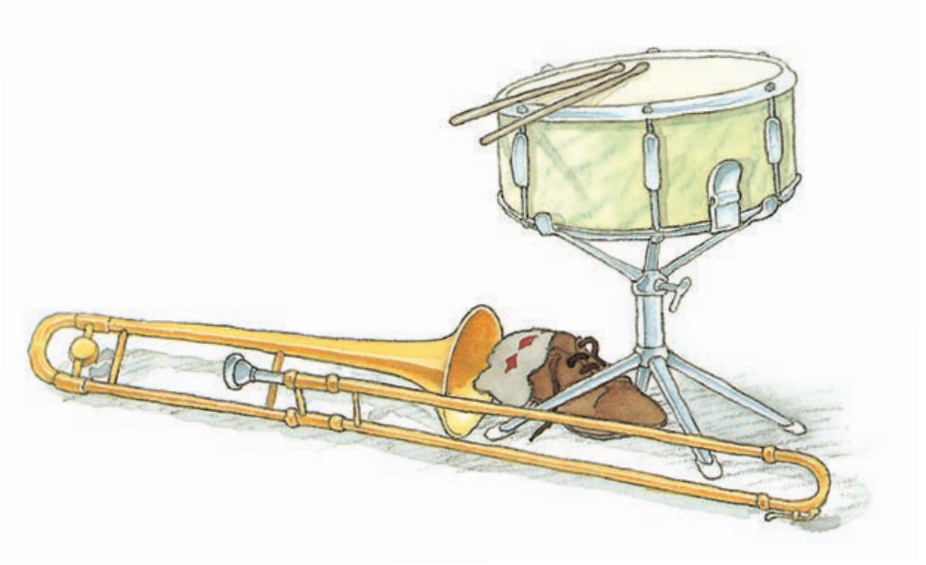

and he can
run like a
cheetah …

and he can
play any
instrument …

and he's
a marvellous
cook …

and he's
fantastic on
roller skates …

and he's
brilliant at making
things …

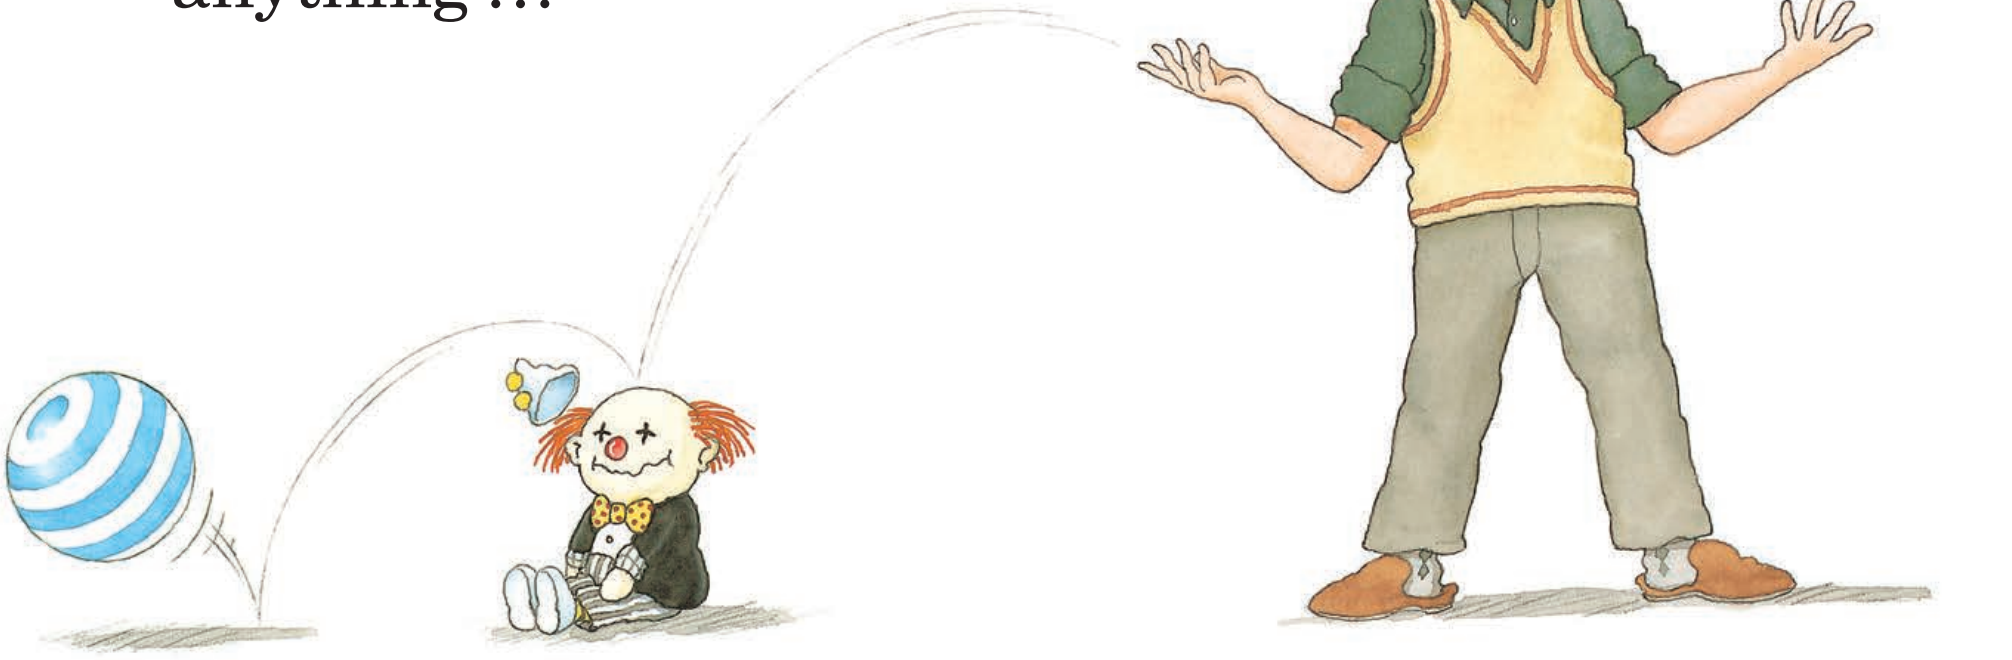

and he can
sing like a
pop star …

and he can
juggle with
anything …

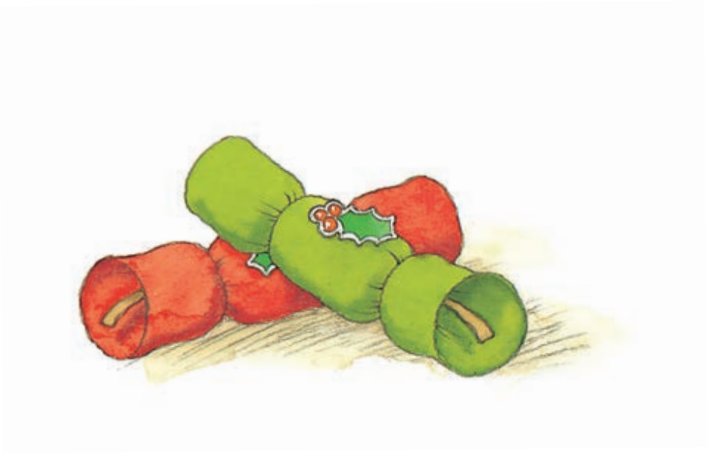

and he's not
a bit frightened
of the dark …

and he tells the
funniest jokes
in the world.

It's great to
have a dad
like mine.

It's brilliant!
