Babies!" says Anna. "Two babies!"

"Your brothers, Anna Hibiscus."
Mama smiles.

Anna Hibiscus smiles too.

Then she looks at her brothers.
They are still crying.

Anna Hibiscus kisses one brother.
"Don't cry, little Trouble," she says.

Anna Hibiscus kisses the other brother.
"Don't cry, little Double," she says.

"We have Mama and Papa,
and Grandmother and Grandfather,
and so many aunties and uncles
and cousins to share!
You don't need to cry."
