He tried to keep going, but soon he found out
it's not easy to please everyone with a mouth!
He had one hundred favourite foods!
Two hundred favourite hats!
And even though he was allergic...
he really liked cats!

That's when he heard it –

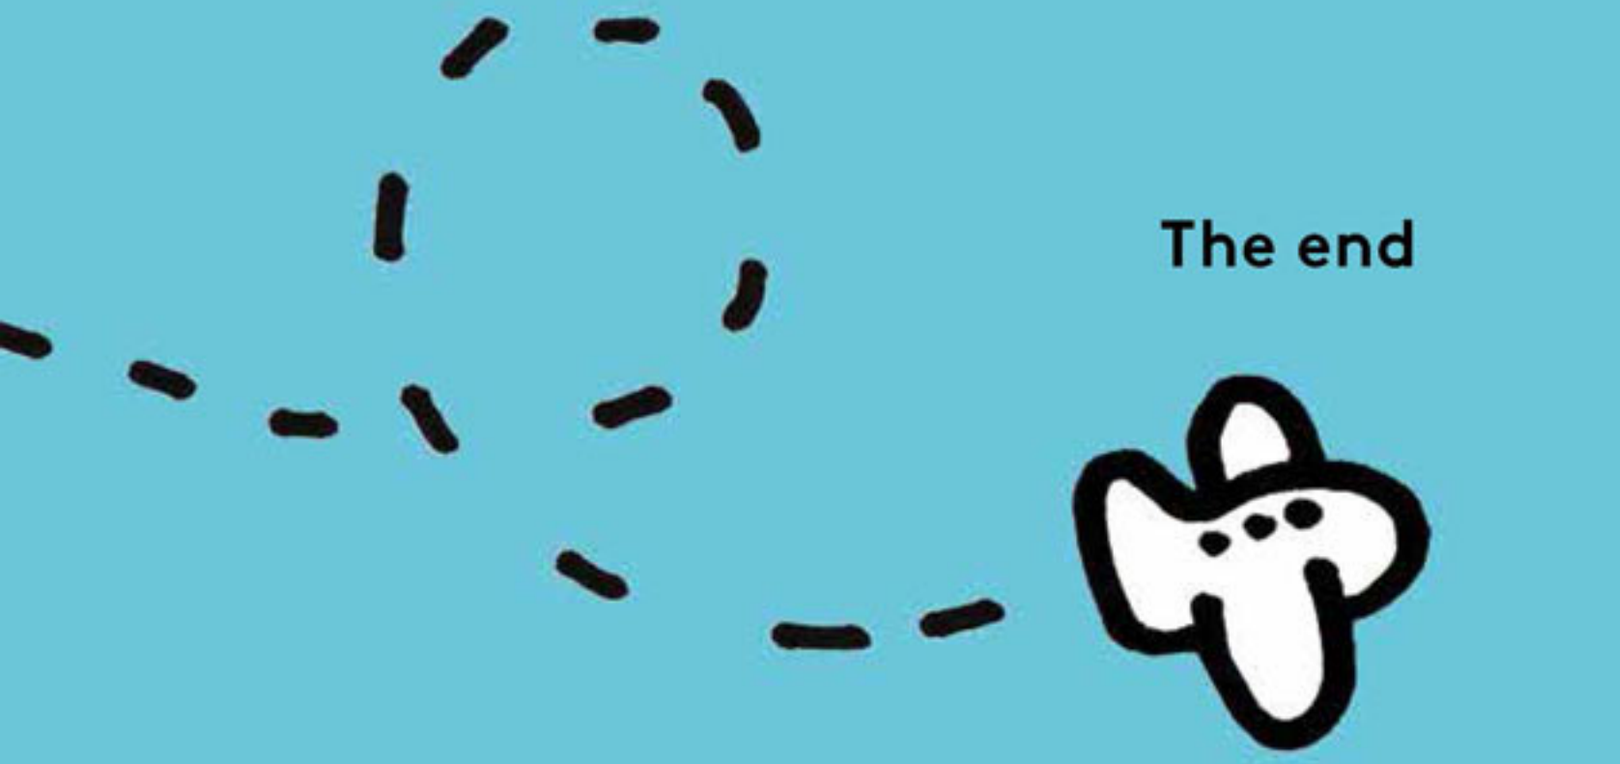

a small, tiny sound...

a voice much quieter than the others around.

It didn't come from a mouth, it wasn't something said,
it seemed to be coming from inside his own head!

And George soon found out
when he didn't pretend
people saw the real him.
He made lots of new friends!
