Nine
The 9 Times Table
Hello! Before you start... push every tab so all 10 fingers are pointing upwards. Now pull down the finger with the number you want to multiply by 9. Count the fingers to the left of it – these are your tens. Count the fingers to the right of it – these are your units.
DON'T FORGET TO PULL THE TABS DOWN AGAIN BEFORE YOU TURN THE PAGE!
1 2 3 4 5 6 7 8 9 10
Got it? It's my favourite trick! Try 3x9...
2 tens (20)
7 units (7)
= 27!
And the two numbers add up to nine! (up to 10x9)
8x9=
Count it: tens open and close your fingers as you go!
6x10
Ten, Twenty, Thirty, Forty, Fifty, Sixty, Seventy, Eighty, Ninety, One Hundred!
Ten
The 10 Times Table
The 10 times table is easy peasy! Just add a 0!
Baby Ten
HOW TO BUILD ROBOTS

2
3
6
3 = 21
3 = 24
3 = 27
3 = 30
3 = 33
12 X 3 = 36
Four
I am Frederick Four. Dare you join me and my fiendish friends for a bite to eat?...
One, four is four... ooo... Two fours are eight... ooo... Three fours are twelve... oo+ baby-yeah!
Look, they're all even numbers!
12 Crunchy Frogs
Fearsome Fourpence
6 each
Fearsome Fourpence
8 each
Cheese on toes
7 each
Brains
Fearsome Fourpence
Crispy bacon flavoured ears
40 Chocolate Bone Pretzels
Fearsome Fourpence
9 each
Frozen Hearts
Cakes. How many?
6 X 4 = ? ? ?
4 boxes with nothing inside 0 X 4 = 0!
8 X 4 = 32
9 X 4 = 36
10 X 4 = 40
11 X 4 = 44
12 X 4 = 48

Seven
The 7 Times Table
I'm Siegfried Seven. If you learn your 7 times table you are very clever!
One seven is seven. Two sevens are fourteen.
Three sevens are twenty one. Four sevens are twenty eight.

SUM
5x7=
6x7=
6 weeks until half term. How many days is that?
Look at our calendar. There are seven days in every week.
Learn these off by heart... and when you know give yours a gold
Eight
The 8 Times Table
Hello darlings! I simply adore shoes, but I need 8 to go with each outfit. Pull the tab to see how many I need to go with my entire wardrobe.
One eight is eight. Two eights are sixteen. Three eights are twenty four. Four eights are thirty two.
8 is twice 4 (which is twice 2) so all the answers are double the answers in the 4 times table...
And all the answers are even numbers!
No outfit - I
So no 5
9x8
