It's Mum.
"Just look at the state of your room!" she says.
"If you can tidy up before this rings,
I'll take you out for ice cream."
Tick.
Tick.
Tick . . .

Quick as a flash, I pull on my cloak and mask.
"This is a job for Albie the Awesome!" I say.

Suddenly . . .

I leap on board and point the Snooze Ray at her.
"Turn this machine around NOW!" I shout.
"Okay! Okay!" she cries. "Just put that thing down."
When we land, I switch the Snooze Ray into reverse
and point it at Scoot.

MAZAK!
WOP!
PAZZ!

Scoot jumps to her
feet in a fury.

"Don't worry, Albie
has saved us!"
says Rascal.
