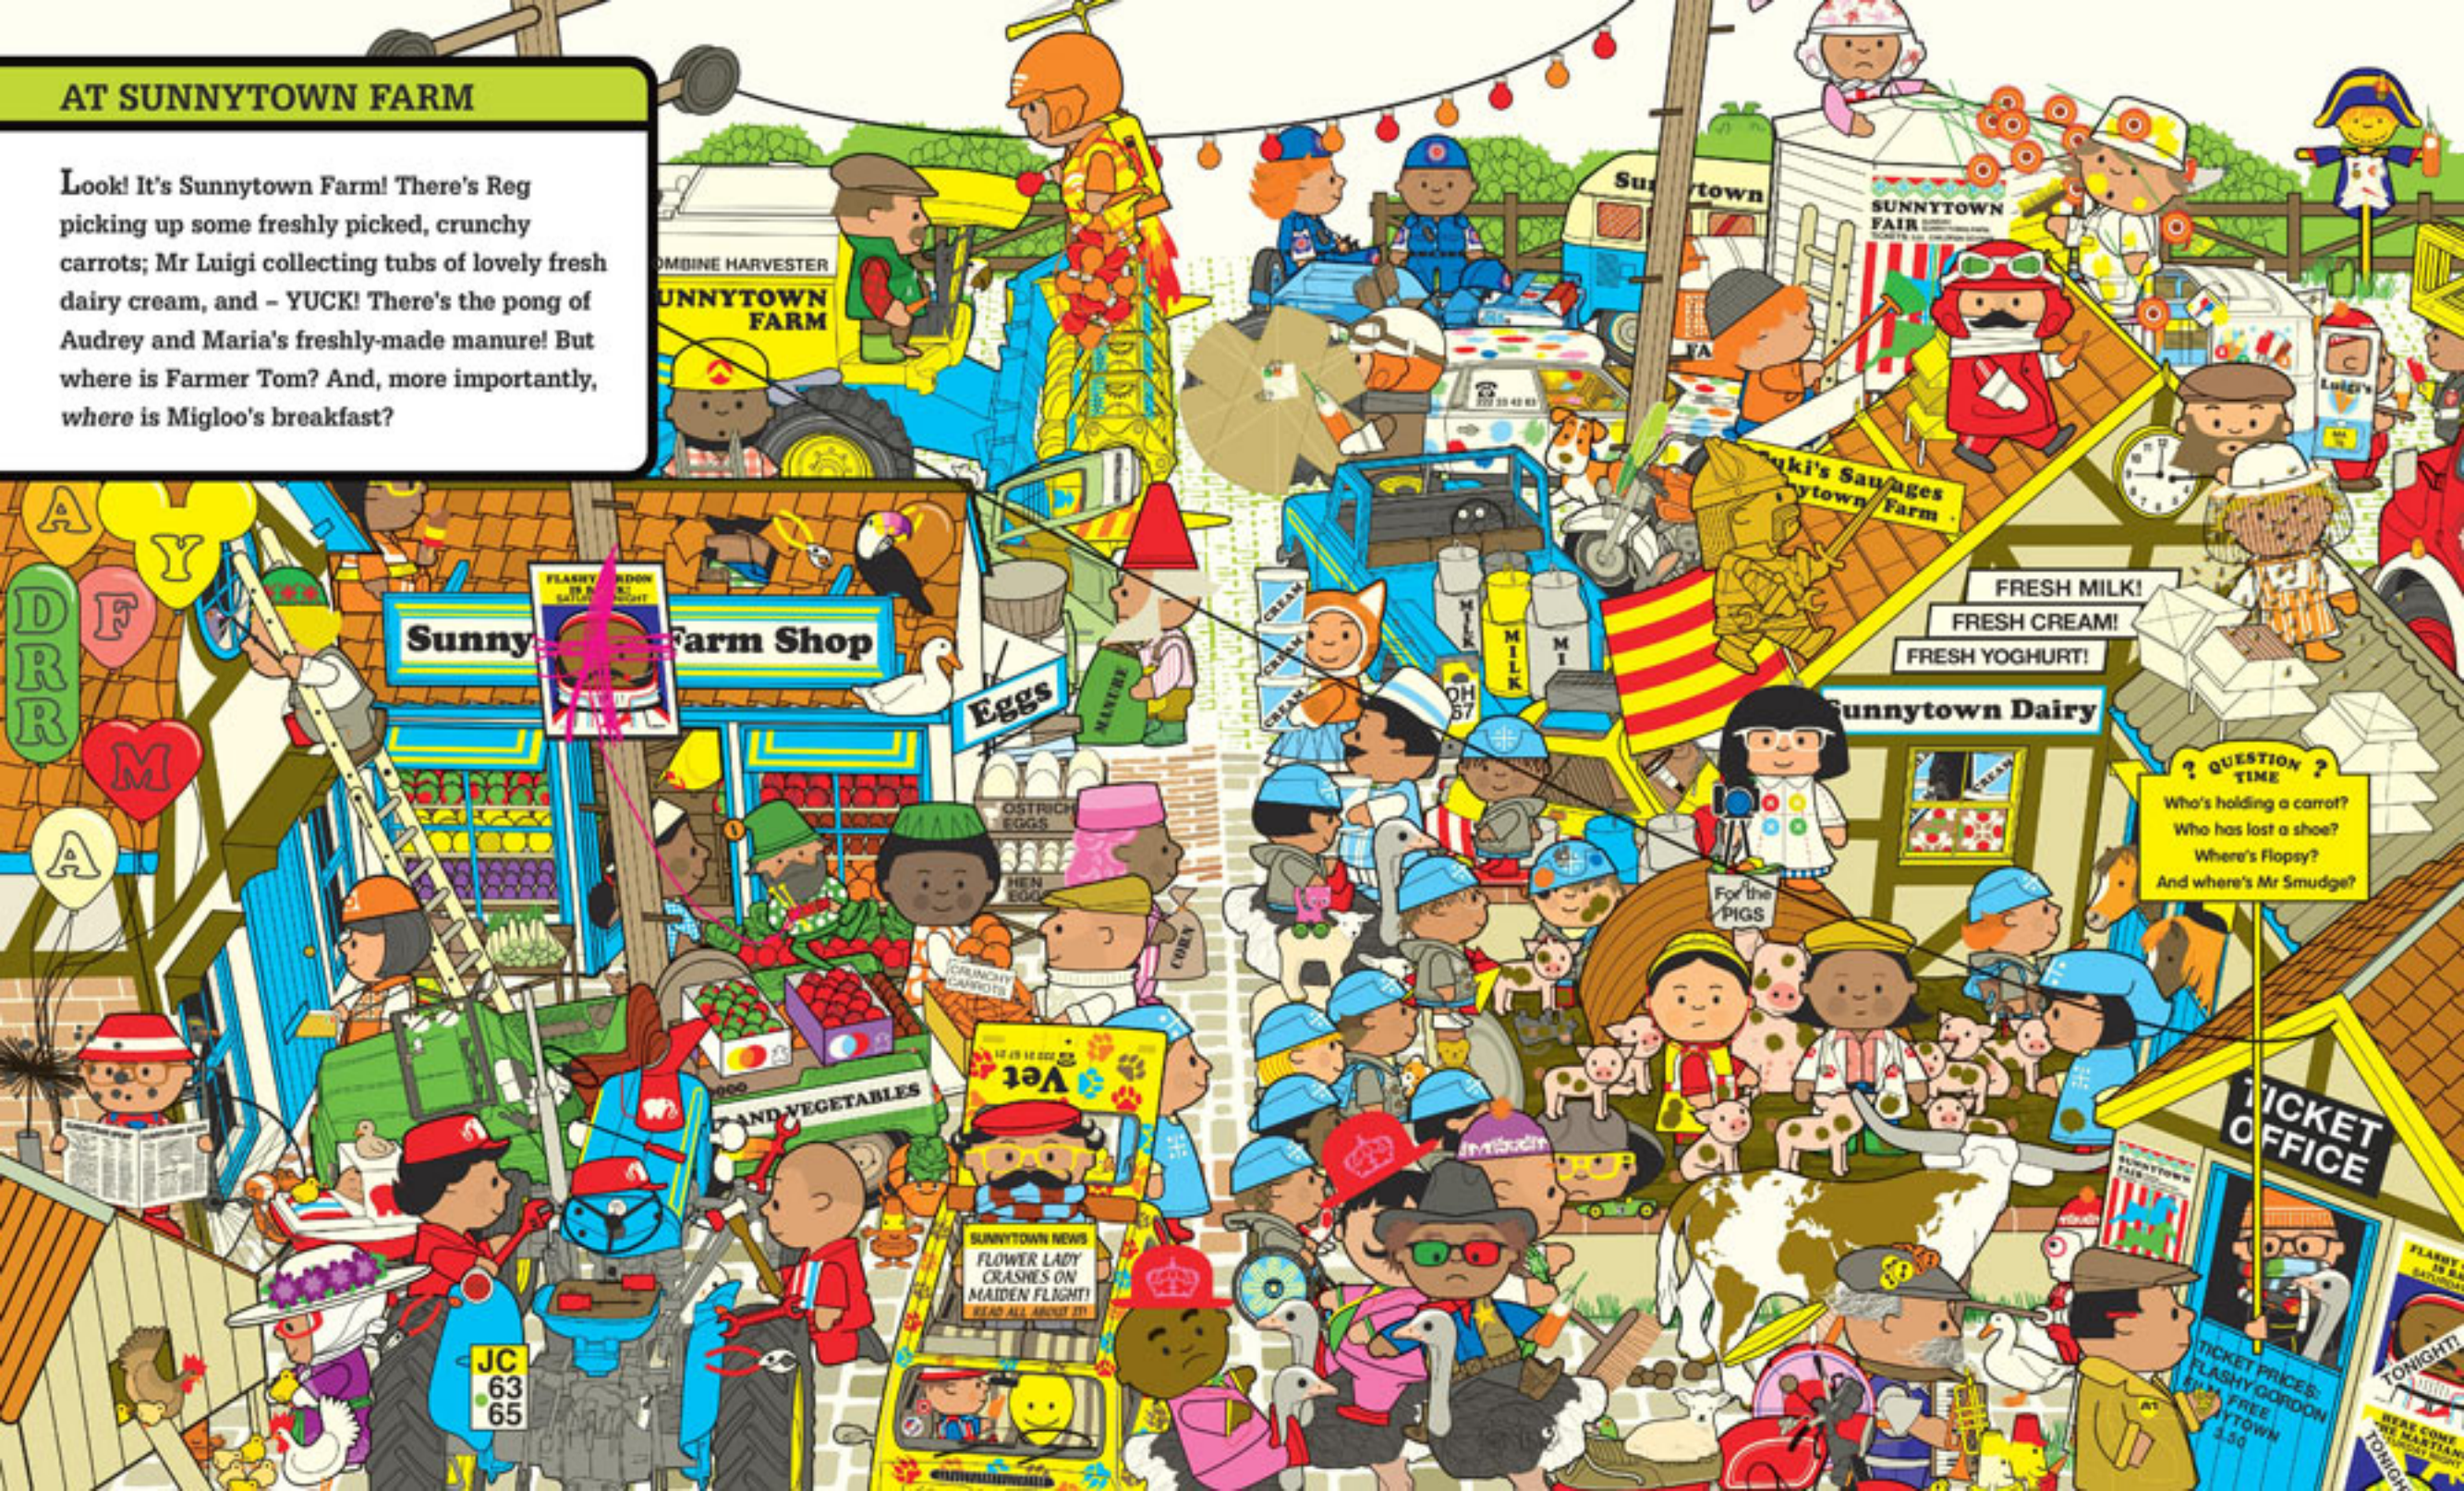
AT SUNNYTOWN FARM

Look! It's Sunnytown Farm! There's Reg picking up some freshly picked, crunchy carrots; Mr Luigi collecting tubs of lovely fresh dairy cream, and – YUCK! There's the pong of Audrey and Maria's freshly-made manure! But where is Farmer Tom? And, more importantly, *where* is Migloo's breakfast?



The Martians have come to eat up all of Earth's nicest food! Like our juicy oranges and sweet, crunchy carrots and delicious oaties and lovely lickable ice creams and mouthwatering apples and super sizzling sausages!

It's a HORROR movie!

There's only one thing to do – Migloo MUST eat as much as he possibly can, before it's too late!

The film is over! In the end, the greedy Martians felt *very sick*, and went home *very* quickly. Migloo would like to go home, too, but Olivia wants him to go to her house for a Saturday night sleepover. Migloo wags his tail very weakly, which means, 'Yes please, as long as I don't have to eat anything else...'
