INTRODUCTION

Fellow Dorks, grab your pens!

If you're a diary fanatic like ME, you are SO going to love your *OMG! All About Me Diary!* This book is filled with 365 questions, plus a bonus question (written by yours truly) that'll have you thinking, laughing and learning surprising new things about yourself.

You'll have fun writing about the JUICIEST gossip, the funniest stories and your most embarrassing moments! I'll also ask you to share your dreams, wishes and secret thoughts.

You can write in your diary every single day for TWO whole years! And when you read these

memories, you'll be amazed at how much you've changed or stayed the same.

I came up with all these questions myself. And to keep things interesting, I've actually spilled my guts and answered a few of them. But, hey, I'm not worried! I know I can totally trust you with my secrets ☺!

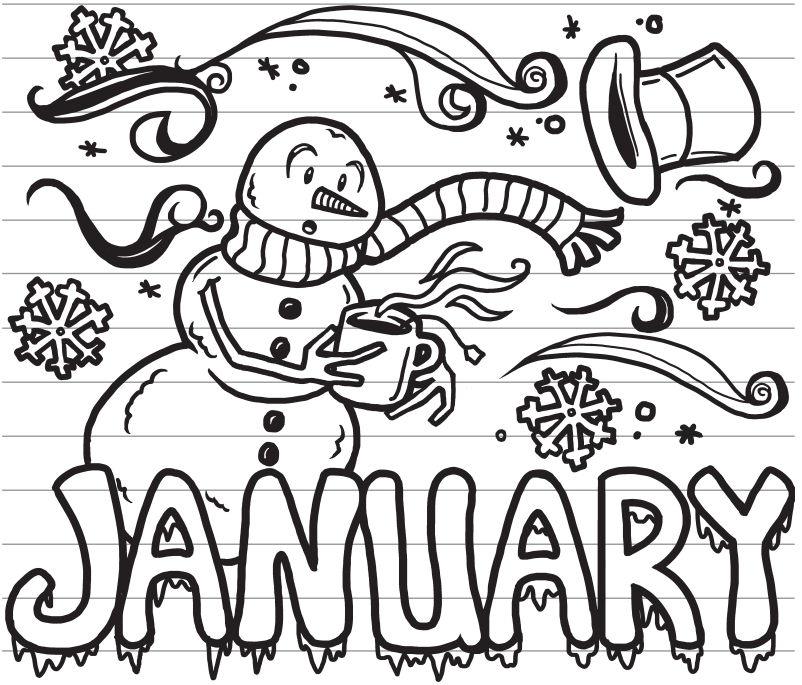

You can start your diary on January 1 or today's date. If you happen to miss a day, don't sweat it! You can always go back and fill it in later.

Have fun, and happy writing! And always remember to let your inner Dork shine through.

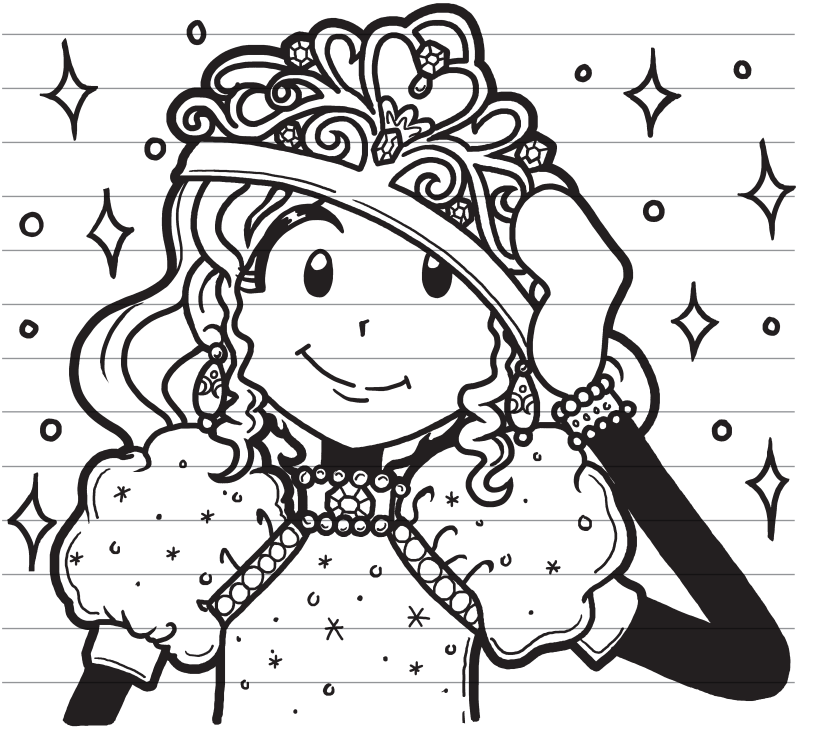

Your dorkalicious friend,

Nikki Maxwell
