I Love You

When you feel so very small,
when NO ONE seems to care at all,
what can make you ten feet tall?

Three little words . . .

I love you!

When you trip and lose a race,
when tears are rolling down your face,
what prize puts you in first place?

Three winning words . . .

I love you!

If grumpy grouches spoil the fun,
if frowns have blocked out all the sun,
what takes care of everyone?

Three sharing words . . .
