Mr Bunny ordered the chickens to crank chocolate production up to the max.
He made them work all day and all night.
Debbie's fallen in the vat!
EMERGENCY!
SEARCH AND RESCUE
These are very high readings.
We've got leaks!
I'll just tape it better.
If only we could have a tea break.
So ... tired.
WAKE UP!

Mr Bunny forced the chickens to eat and eat and eat...
EAT IT.
I'll have to do so much aerobics.
Oh Jane! It's death by chocolate!
But what will I tell your chicks, Lilly!
I feel sick!
I can't squeeze any more out!
But we've not met our quota!
I'll dig you out, Lindsey!
Have you heard. Debbie's still missing?
CONVEYER CONTROL
Why are the eggs not coming down?
There's another case of severe tummy ache up on the laying floor.
They were laying so many eggs that the wrappers just couldn't keep up.
