Explore a world of flowers and trees,
of butterflies and honey bees.
Lift the flaps and try to find
a matching pair of every kind!

Can you find 4 butterflies?

FIND THREE
MATCHING
PAIRS OF
BEES!

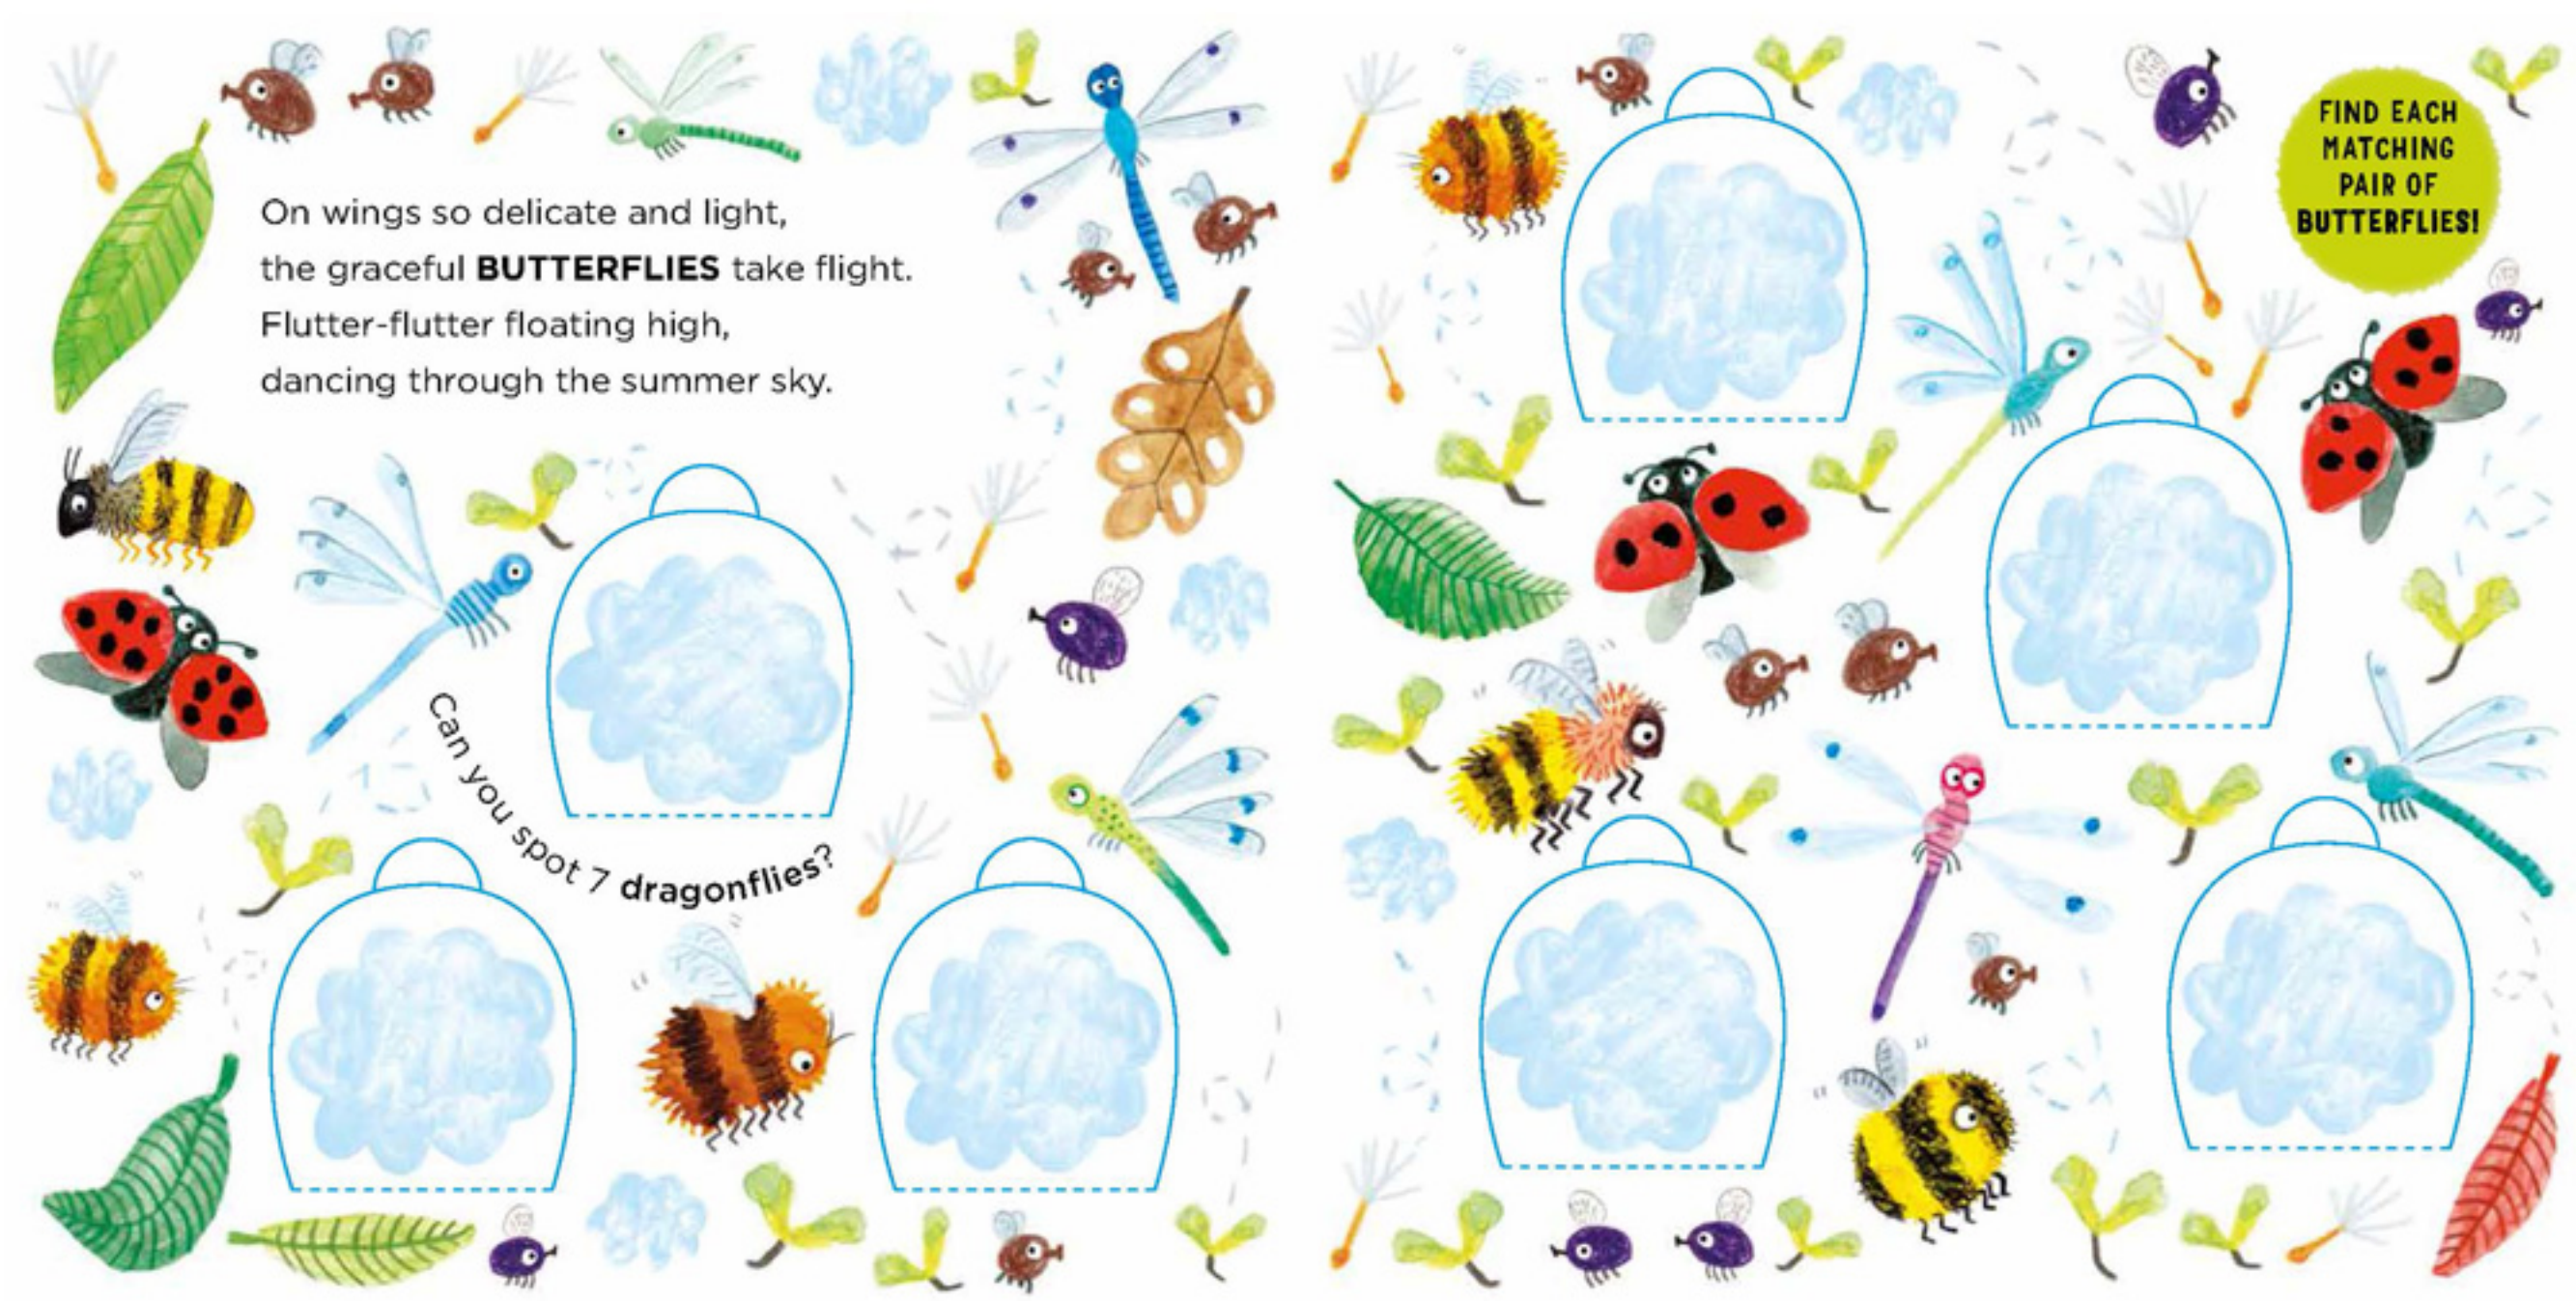

When the days are warm and sunny,
BEES are busy making honey,
buzzing as they softly settle
on each lovely flower petal.

See **CATERPILLARS** crunch, crunch, crunching,
finding leaves for munch, munch, munching.
Fat and fuzzy, small and sweet,
they nibble all that they can eat.

Can you spot 10 ants?

FIND EACH
MATCHING
PAIR OF
CATERPILLARS!

On wings so delicate and light,
the graceful **BUTTERFLIES** take flight.
Flutter-flutter floating high,
dancing through the summer sky.

Can you spot 7 dragonflies?

FIND EACH
MATCHING
PAIR OF
BUTTERFLIES!
