Help the bird deliver the worm to her chicks. On the way, can you spot: a hairy, one-eyed worm; a headless, green, freckly worm; a small, brown, spiralled worm; a black and purple striped worm; and a twisted, double-bodied worm?

Help the crocodile find his way to the water. On the way, see if you can spot: a blue towel with bananas on it; a red and white beach ball; a T-shirt with an anchor; a game of bat and ball, and a yellow rubber dinghy.

Can you help Square find his way back to his friends? On the way, look out for: one red crescent; two yellow circles connected by a yellow line; three blue crosses in a row; a block with four pairs of leaves and five blue lines on an orange block.
