In a treetop way up high,
Little Owl blinks
and rubs an eye.

Mouse is snoozing,
Squirrel, too.
But Little Owl has work to do.
She spreads her wings, takes off and soon
Little Owl flies up past the moon.

Giraffe is snoozing,
Elephant, too.
But Little Owl has work to do.
Looking for each star that glows,
Little Owl huffs
and puffs and blows.
She blows the stars out
one by one.
But Little Owl's work
has just begun.
