WALKER BOOKS
AND SUBSIDIARIES
LONDON • BOSTON • SYDNEY • AUCKLAND

This is Triangle.

This is Triangle’s house.

This is Triangle in his house.

And that is Triangle's door.

One day Triangle walked out of his door
and away from his house.

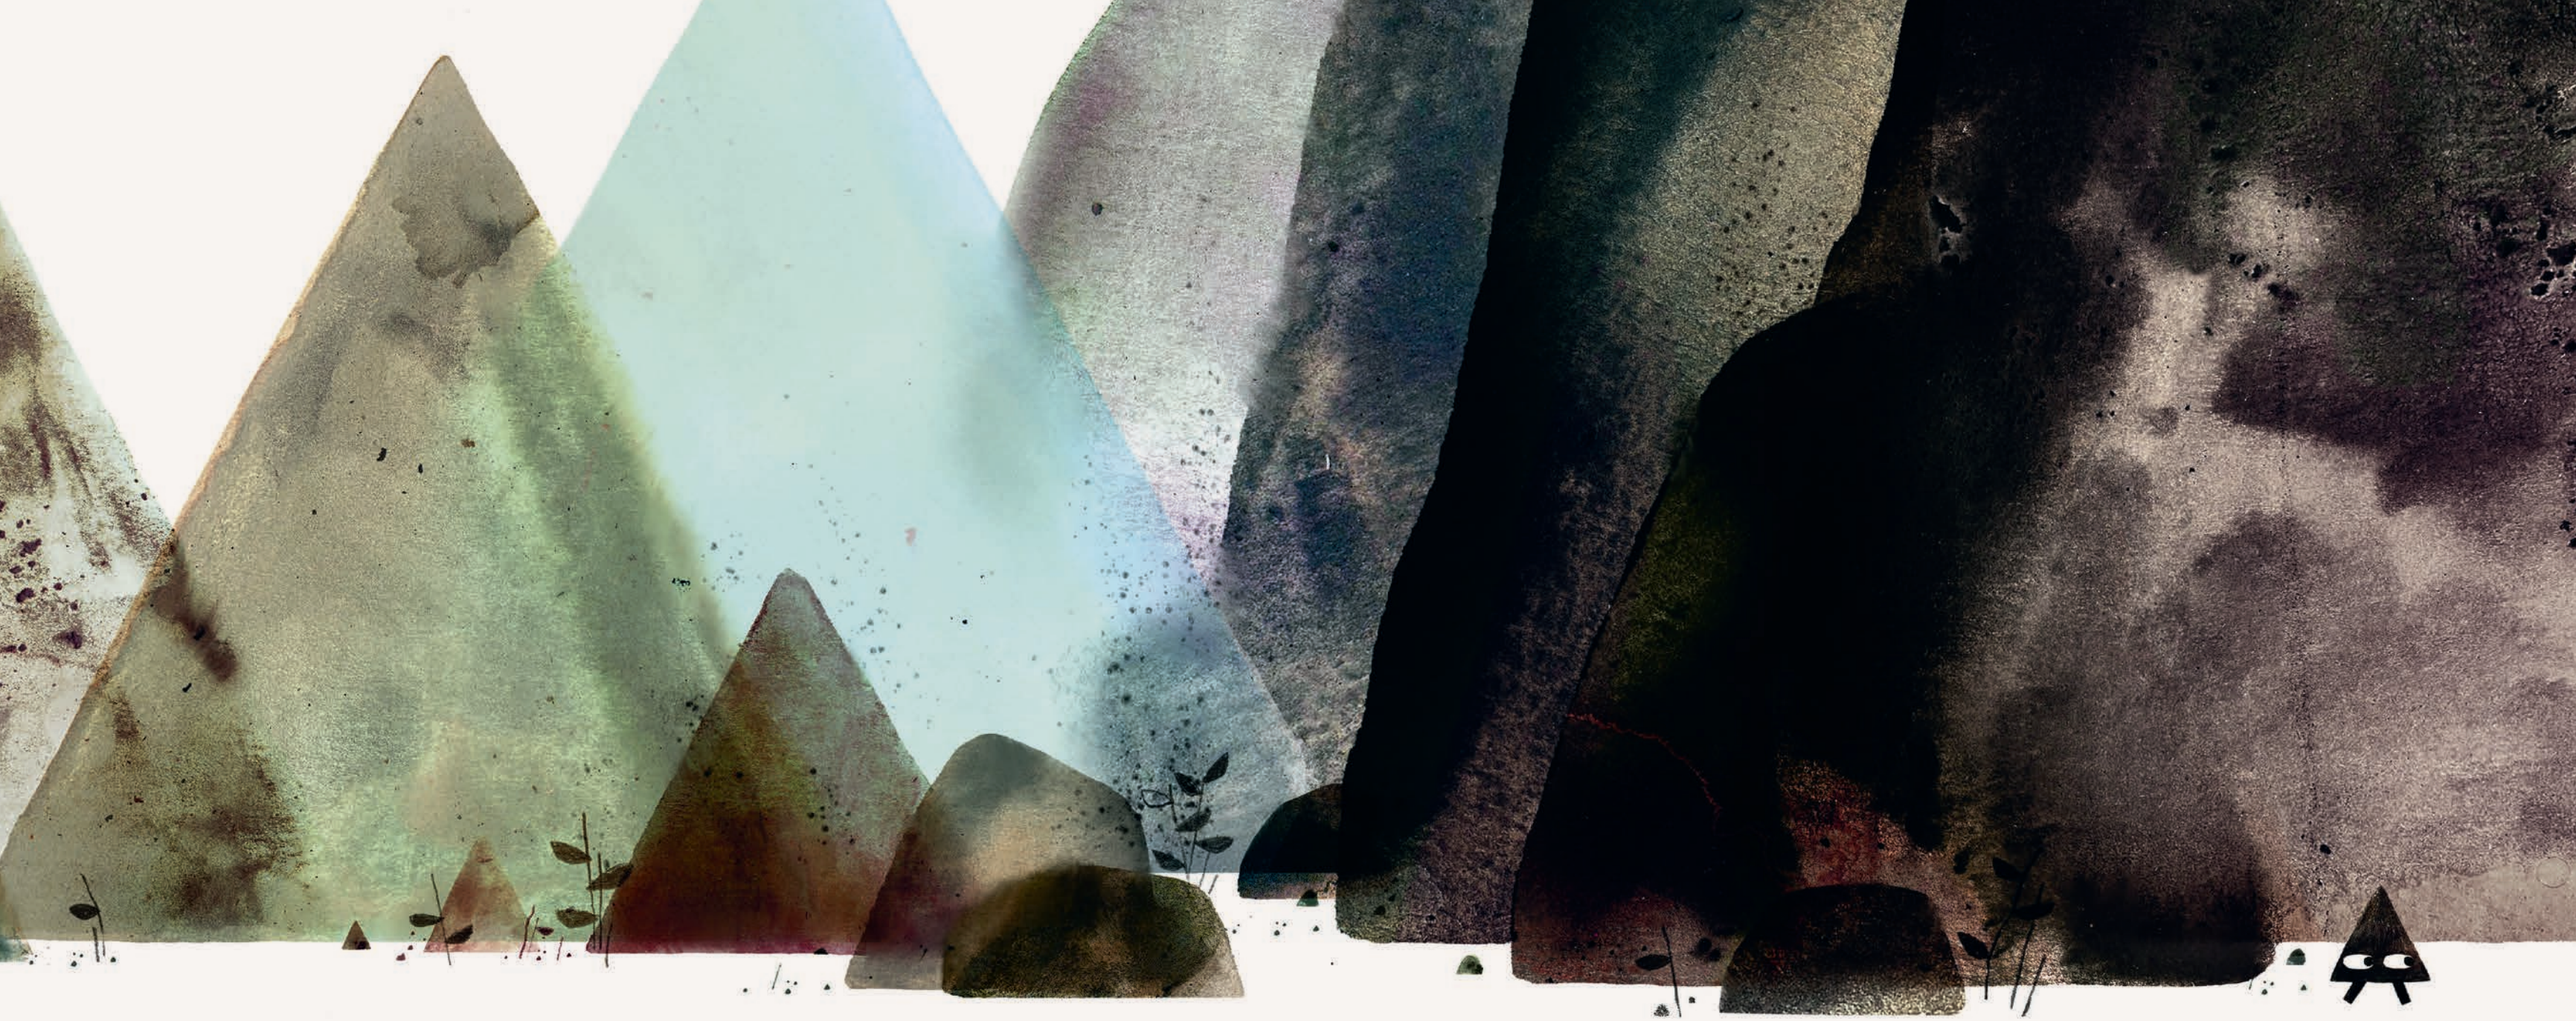

He was going to play a sneaky trick on Square.

He walked past small triangles

and medium triangles and big triangles.

He walked past shapes

that weren’t triangles any more.
