My friends say that
when they grow up,
they want to be...

a ballet dancer,

an engineer,

and a pirate.

But when I grow up,

I want
to be...

I will be brave enough
to deal with the
scariest of monsters,

and daring enough
to keep my eyes wide open
on the twistiest of rollercoasters

(even when I really want to close them).

When I
grow up,

I want to be just
like Daddy.

Because no matter
how **big** he is...

...my daddy still remembers

how much fun it is to be little,

just like me!
