Nancy and Roger ran at top speed through the busy city streets.
"How will we ever find those children?" puffed Nancy in Piccadilly Circus.
"London is ENORMOUS!"
Clever Roger thought he could see them…
Tonight
Ice Cream!
Tea Cake
PARTY
TOYS
POP
LOOK! They're over there, getting on a big red bus!
No, Nancy, No!
WOW
LONDON
Nancy saw the perfect place to do a little bit of painting!

Next stop – Tower of London!
Roger spotted the children
high, high up in the turrets.
"Oh goody!" grinned Nancy. "I've
heard they have some very nice jewellery
here. Let's see if we can try some on,"
she said mischievously…

"Ah, I could spend all day with
the crown jewels," sighed Nancy.
"But we had better get a move
on if we're going to catch up with
those children."
And with that, Nancy and Roger
sped off in hot pursuit.
