Brett and David McKee

Andersen Press

The King lived in the castle on top of the hill.
He used to be happy but now he felt ill.
What made him so poorly? Terrible sounds.
Like wild screeching cats and howling old hounds.

The noises came from the deep dark of the wood.
The notorious Nasties, up to no good.
They scared the whole village
with their horrible drone
that came through the walls
and shook every home.
