Congratulations on your new pet!

When you first meet him,
you might find that he is
surprisingly shy.

But don't worry . . .

. . . he'll **soon** come out of his shell!

It's **really** important to make your dinosaur feel at home, so why not start with a healthy **breakfast** to give him plenty of **energy** for the day ahead?

Don't worry if your dinosaur is slow to try new foods . . .

. . . he'll **quickly** find his appetite.
