Tiny Dinosaurs

Hi, I'm Rex, and this is my best friend Daisy.
Daisy is wild about dinosaurs!

She has dinosaur pyjamas,
and dinosaur slippers.

And a dinosaur toy that roars.

And a dinosaur tail.

Daisy loves to read books all about dinosaurs too.

But, best of all . . .

. . . she loves playing the dino dress-up game!

Sometimes I'm a stegosaurus with bony plates down my back.

Sometimes a diplodocus
stretching for a treat.

A triceratops with
three fantastic horns.

Or a tyrannasarus rex with fearsome teeth.

I can even be a flying reptile with great big wings!

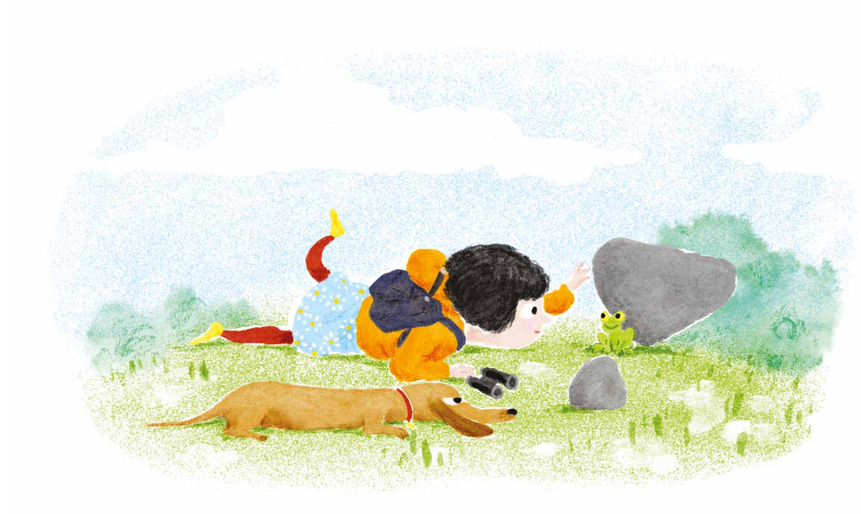

Daisy's books say that dinosaurs
are from a long time ago.
And that there aren't any left
except for bones in museums.

'But I think there are some dinosaurs left,' whispers Daisy.
'People just haven't been looking hard enough.'

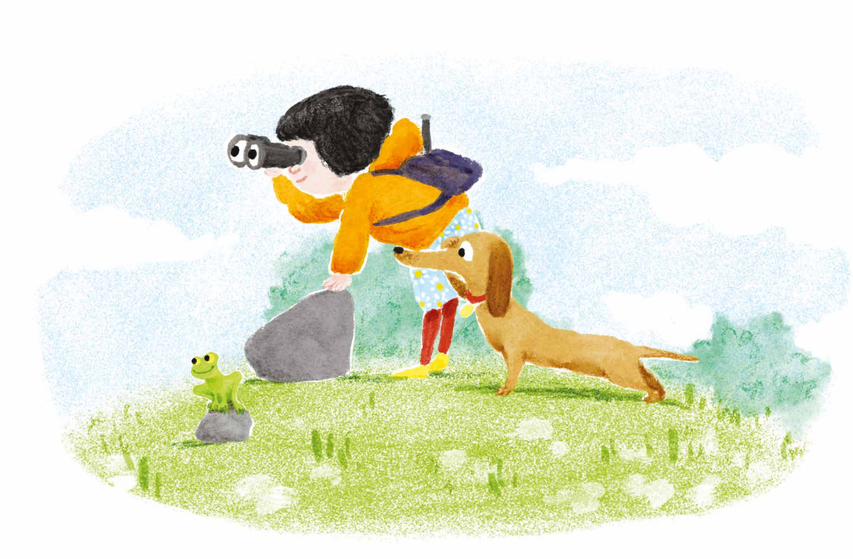

So everywhere we go,
we keep an eye out for dinosaurs.

We look up high . . .

. . . we look down low.

We look far away.

We look nearby.

And then, right at the bottom of our garden . . .
