This was supposed to be a story about a dragon

who captured a princess

when . . .

SCREAM!

. . . Along came a knight

who fought with the dragon

and rescued the princess.

The end.

However, I can't tell you that story
because Dragon has gone off in a huff.

I will not capture any icky, frilly
princesses today. And I shall not fight
any more brave, shiny knights.
I'm going to a story where
I can be the HERO for a change!
