1

One is me, Katie.
Here I am, all by myself.

2

But I'm not by myself for long.
Here comes Olly, my baby brother,
and that makes **two** of us.

3

Three is company
when my friend Norah
comes to play …

or when our cat Ginger
is in a good mood
and lets us stroke her.

4

My friend Norah's cat has
four dear little kittens.
Each of them has
four neat white paws.

There are **four** people in our family. When we go out we usually take our dog Buster too and that makes **five**. Buster likes to chase birds, but he never catches any.
