The Diplodocus

MACMILLAN CHILDREN'S BOOKS

The huge *Diplodocus* called
Dinosaur Munch
Had a **tummy** that never felt full after **lunch**.

As **long** as three buses, with tea-tray sized feet,

He always felt **hungry** and wanted to eat.

As soon as he'd eaten,
he wanted some **more**

So he **sucked up** the leaves from the rain forest floor.
