DINOSAUR STOMP!

The Triceratops

Deep in the rainforest,
far from the swamp

Lived a grumpy *Triceratops*,

Dinosaur Stomp.

He wasn't a creature who wanted to play,

If anyone tried he would **chase** them away.

Dinosaur Honk was
too **noisy** by far,

The *Parasaurolophus*
honked
like a car!

Stomp lowered the horns on his huge frilly head
And **charged** like a rhino at Honk 'til she fled.
