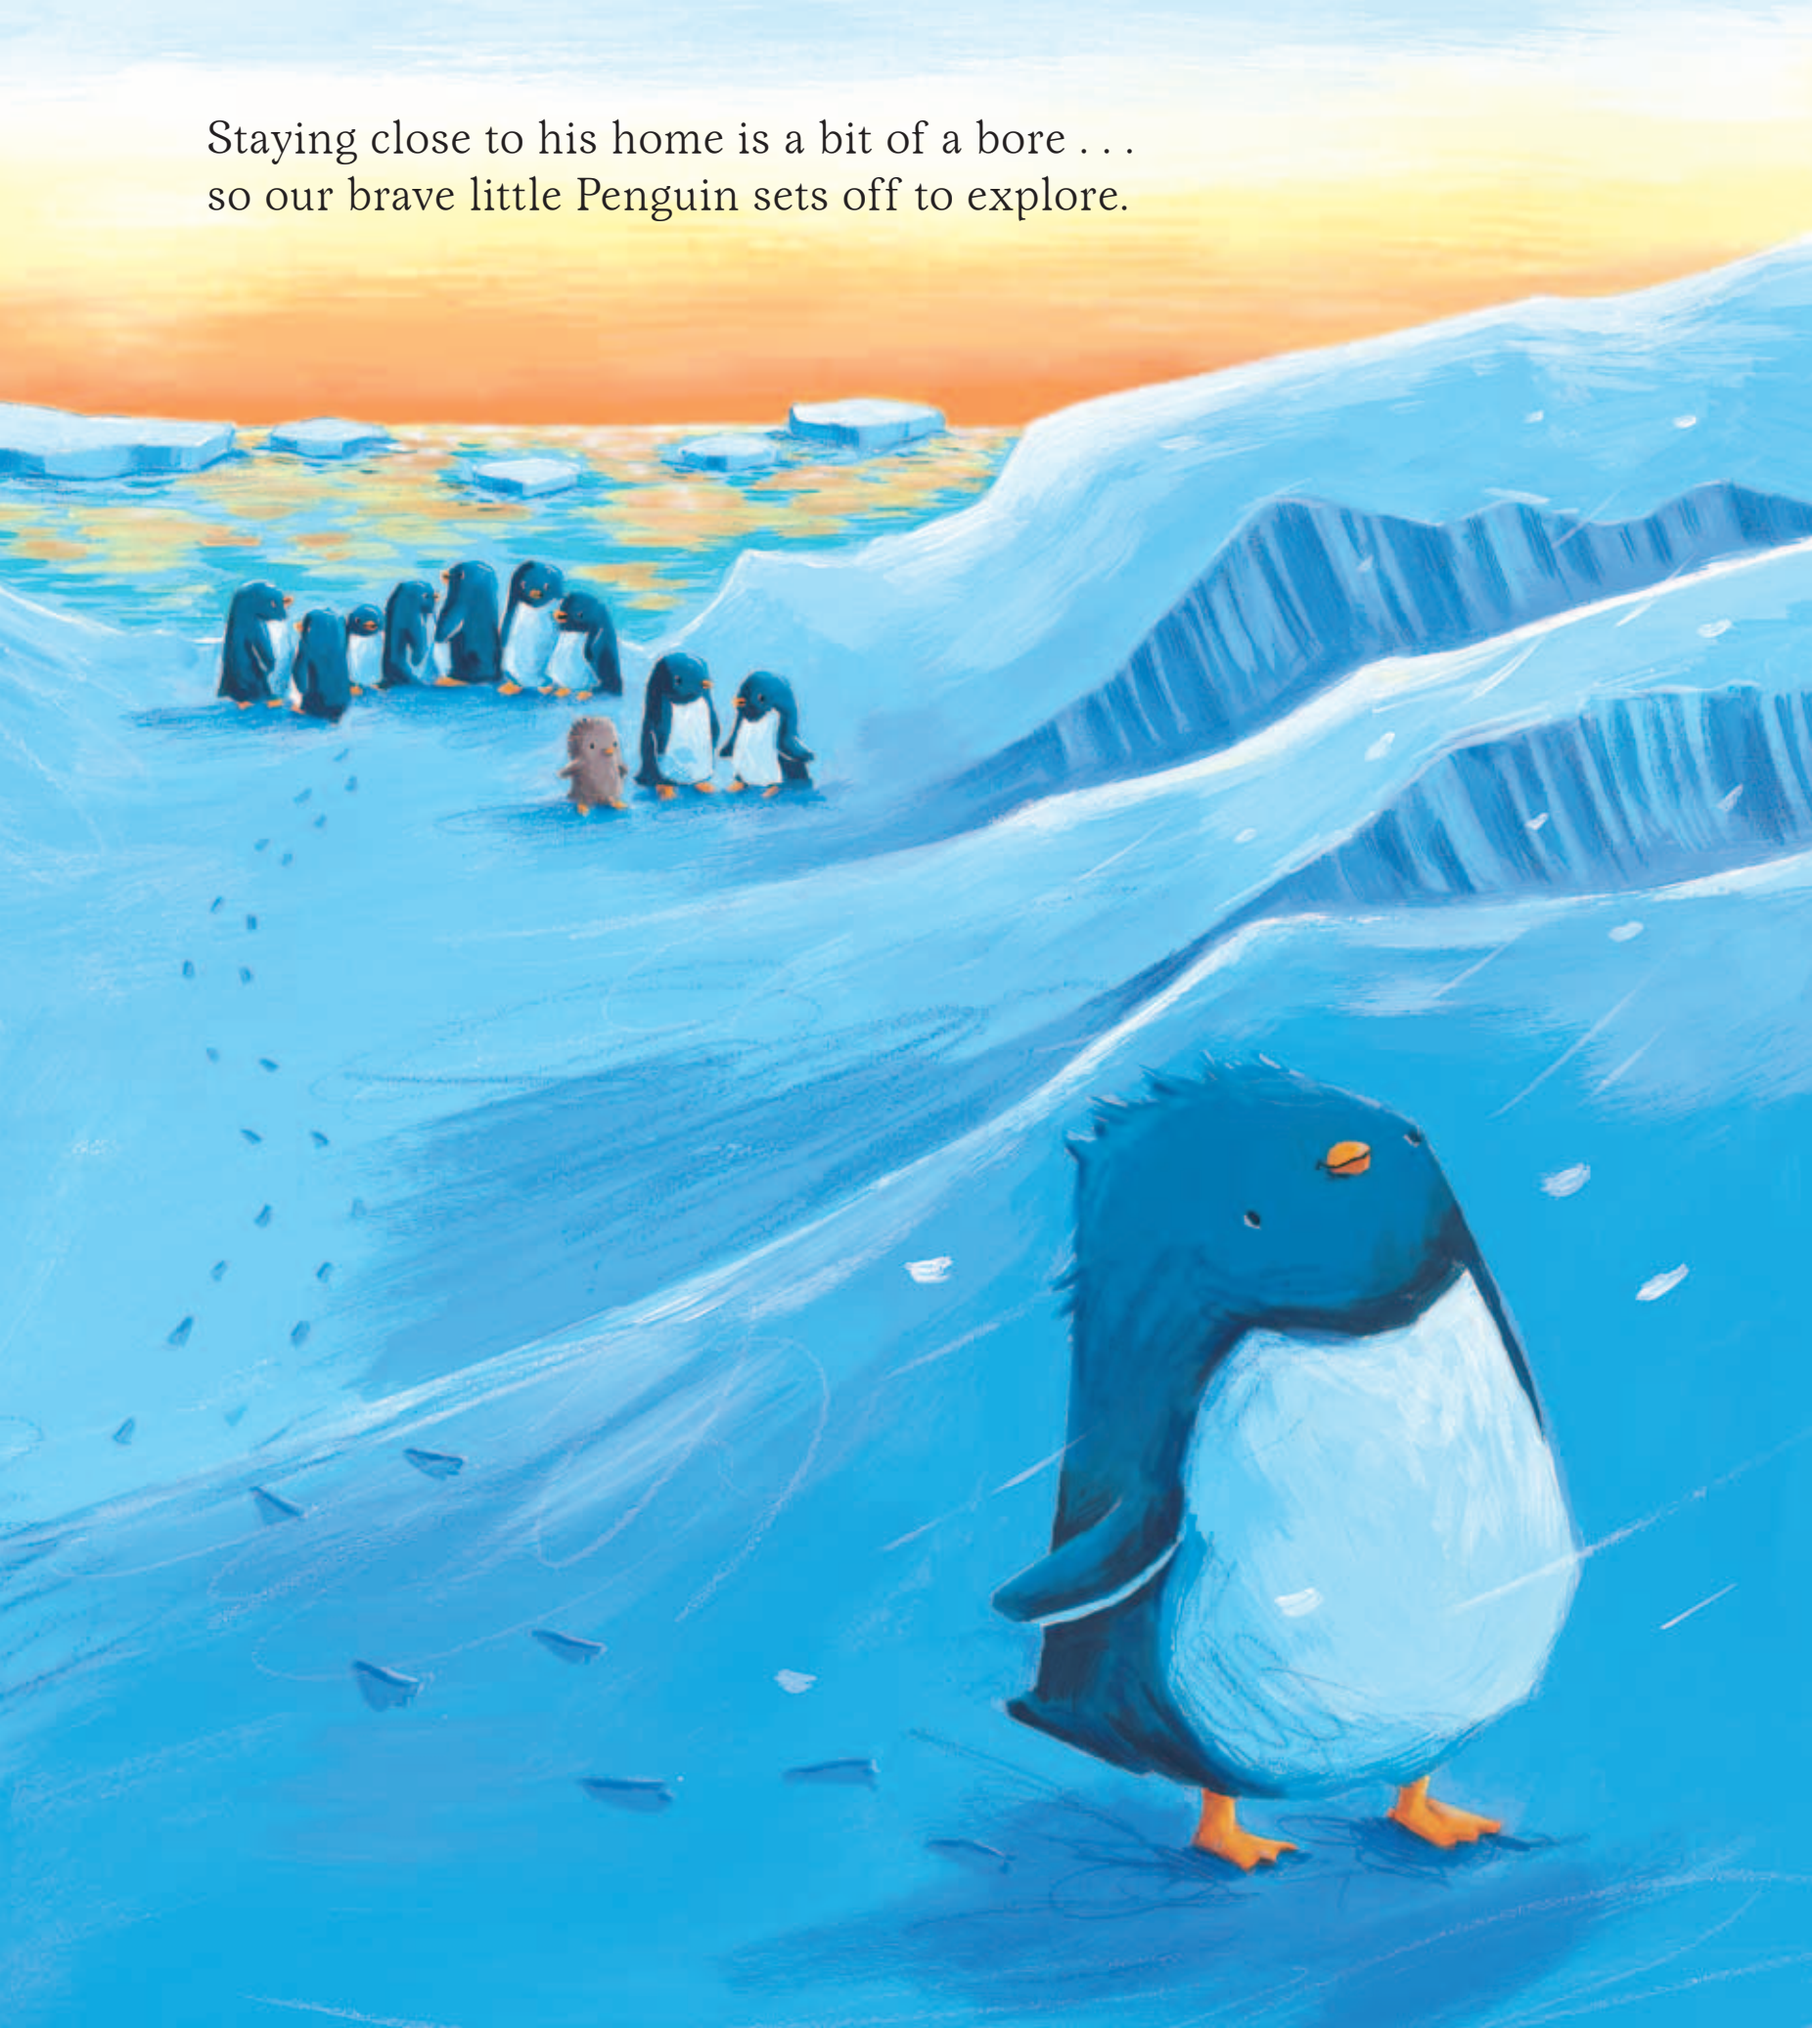
This little Penguin can never stay still.
He's always in search of excitement and thrill.

In a world full of water, of ice and of snow,
what will he find there? He's eager to know.

Staying close to his home is a bit of a bore . . .
so our brave little Penguin sets off to explore.



This little penguin can never stay still.
He's always in search of excitement and thrill.

In the frozen Antarctic one curious little penguin decides to explore the ice and the snow and the sea. On his travels he sees two blue whales, a family of sea lions and a whole school of orca, but soon Penguin starts to miss his *own* family.

Sometimes coming home is
the best adventure of all.
