Juniper Jupiter is a super-hero.
A real one. It's no big deal.

She's super-strong
and super-brave,

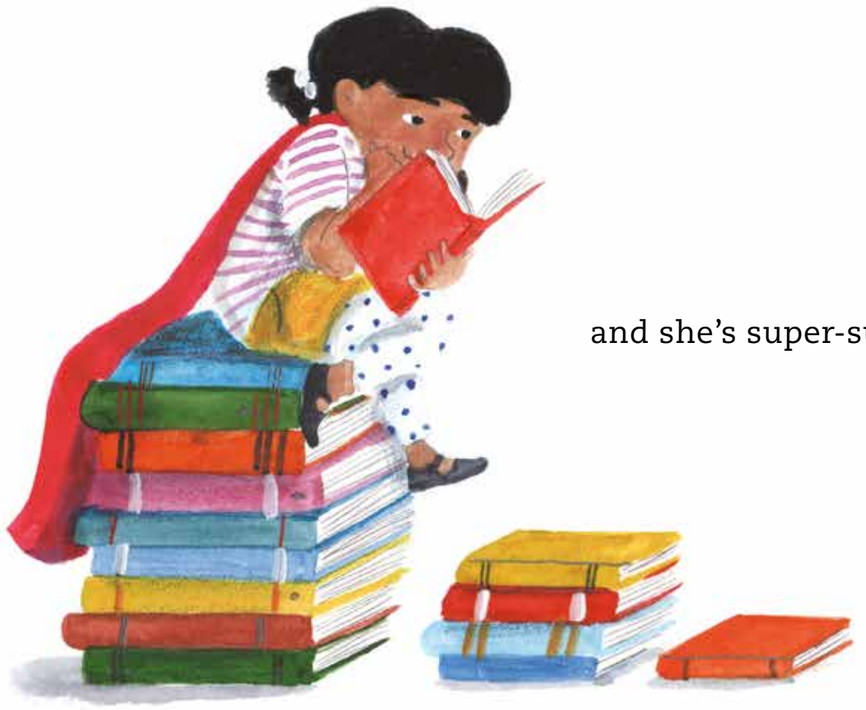

she's super-strong

she's super-fast
and super-sneaky,

and she's super-super-smart.

And she can fly. But, like I said,
it's no a big deal.

Juniper Jupiter loves being
a superhero, she really does.
Only, sometimes, she wishes
it wasn't such a lonely job.

It gets so boring waiting for
the super-secret-mission
telephone to ring!

What Juniper Jupiter
needs is a side-kick!
