

Elmer is different. Elmer is patchwork.
Elmer is not elephant colour.

If there is even a little smile,
it's usually Elmer who starts it.

"Good Morning, Elmer!"

*"Do they laugh
at me because
I'm different?"*

Elmer decides to
find out. He rubs
himself all over with
elephant-colour berries.

When he joins his herd, no one
recognises him. They look so silent and
serious, Elmer wants to laugh.
