If all the world were...

Joseph Coelho
& Allison Colpoys

Frances Lincoln
First Editions

It’s spring.

I take long walks with my grandad.
I hold his giant hand.
He says, “You’re too old to hold hands.”

We explore,

hand in hand,

the budding springtime.

If all the world were springtime,
I would replant my grandad's birthdays
so that he would never get old.
