# AUDREY THE INVENTOR

written by **Rachel Valentine**
illustrated by **Katie Weymouth**

Audrey was the most inquisitive
girl you could hope to meet.

She never stopped asking questions
and searching for answers.

And she loved to fiddle and find
out how everything worked.

So the day Audrey's teacher asked the class, "What do you want to be when you grow up?" Audrey beamed...

"I WANT TO BE AN INVENTOR!"

And she would start straight away! But what to invent?

Fun things to cheer up Happy Cat?
Useful things for Daddy?

Audrey began to invent at a rapid rate.
